ORDER

Adopted: November 27, 2007

Released: November 30, 2007

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaints¹ alleging that Reduced Rate Long Distance (Reduced Rate) changed Complainants' telecommunications service provider without obtaining authorization and verification from Complainants in violation of the Commission's rules.² We conclude that Reduced Rate's actions did result in unauthorized changes in Complainants' telecommunications service providers and we grant Complainants' complaints.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of "slamming," the submission or execution of an unauthorized change in a subscriber's selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*,

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

⁴ 47 U.S.C. § 258(a).

the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission's rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainants' complaints alleging that Complainants' telecommunications service providers had been changed to Reduced Rate without Complainants' authorization.¹¹ Pursuant to Sections 1.719 and 64.1150 of our rules,¹² we notified Reduced Rate of the complaints and Reduced Rate responded.¹³ Reduced Rate states that authorizations were received and confirmed through third party verifications (TPVs). We have reviewed the TPVs

⁸ See 47 C.F.R. §§ 64.1140, 64.1160. Any charges imposed by the unauthorized carrier on the subscriber for service provided after this 30-day period shall be paid by the subscriber to the authorized carrier at the rates the subscriber was paying to the authorized carrier at the time of the unauthorized change. *Id.*

submitted by Reduced Rate with its responses. Although Complainants agreed to switch their intraLATA service, the verifier, in each case, described intraLATA service as “in-state long distance service.” IntraLATA service is not necessarily “in-state long distance” in certain states. In the cases before us, Complainants reside in a state which has more than one LATA and, therefore, an interLATA call could also be “in-state.” Consequently, the verifier in each case incorrectly described intraLATA service in attempting to elicit confirmation of a switch by Complainants. As a result, we find that, in each case, there was no authorization given for a switch of intraLATA service in violation of our rules.¹⁴ Therefore, we find that Reduced Rate’s actions resulted in unauthorized changes in Complainants’ telecommunications service and we discuss Reduced Rate’s liability below.¹⁵

5. Reduced Rate must remove all charges incurred for service provided to Complainants for the first thirty days after the alleged unauthorized changes in accordance with the Commission’s liability rules.¹⁶ We have determined that Complainants are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and that neither the Complainants authorized carrier nor Reduced Rate may pursue any collection against Complainants for those charges.¹⁷ Any charges imposed by Reduced Rate on the subscribers for service provided after this 30-day period shall be paid by the subscribers to the their respective authorized carrier at the rates the subscribers were paying to the respective authorized carrier at the time of unauthorized changes of telecommunications service providers.¹⁸

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission’s rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaints filed against Reduced Rate Long Distance ARE GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(d) of the Commission’s rules, 47 C.F.R. § 64.1170(d), Complainants are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and neither Complainants’ authorized carrier nor Reduced Rate may pursue any collection against Complainants for those charges.

¹⁴ See 47 C.F.R. § 64.1120(c)(3)(iii).

¹⁵ If a Complainant is unsatisfied with the resolution of this complaint, such Complainant may file a formal complaint with the Commission pursuant to Section 1.721 of the Commission’s rules, 47 C.F.R. § 1.721. Such filing will be deemed to relate back to the filing date of such Complainant’s informal complaint so long as the formal complaint is filed within 45 days from the date this order is mailed or delivered electronically to such Complainant. See 47 C.F.R. § 1.719.

¹⁶ See 47 C.F.R. § 64.1160(b).

¹⁷ See 47 C.F.R. § 64.1160(d).

¹⁸ See 47 C.F.R. §§ 64.1140, 64.1160.

8. IT IS FURTHER ORDERED that this Order is effective upon release.
