**MEMORANDUM OPINION AND ORDER  
AND  
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: January 31, 2007**

**Released: February 8, 2007**

By the Chief, Media Bureau:

**I. INTRODUCTION**

1. The Commission has before it the captioned applications of CARE Broadcasting, Inc. (the "Licensee") for renewal of its license for Station KHGN(FM) and FM Translator Station K220CN, Kirksville, Missouri (the "Stations"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),<sup>1</sup> by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,<sup>2</sup> we find that the Licensee apparently willfully violated Section 73.3539 of the Rules by failing to timely file license renewal applications for the Stations,<sup>3</sup> and willfully and repeatedly violated Section 301 of the Act,<sup>4</sup> by engaging in unauthorized operation of the Stations after their authorizations had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of fourteen thousand (\$14,000), and we grant the captioned KHGN(FM) and K220CN license renewal applications.

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>5</sup> Applications for renewal of the KHGN(FM) and K220CN licenses should have been filed by October 1, 2004, four months prior to the Stations' February

1, 2005 license expiration date,<sup>6</sup> but were not. The Licensee did not file the applications until February 2006, over one year after the Stations' license had expired. It also failed to seek Special Temporary Authorization ("STA") to operate the stations. The licensee explains that it attempted to file the license renewal applications for the stations in September 2004 but erroneously believed that the forms were filed after they were "validated" in the Commission's electronic filing system; therefore it failed to complete the filing process.

### III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee has failed to timely file license renewal application for the Stations, as required by Section 73.3539 of the Rules. Moreover, it appears that it continued operating the Stations for more than one year after the licenses had expired on February 1, 2005, before filing the appropriate renewal applications, in violation of Section 301 of the Act, and never sought STAs to so operate. Notwithstanding its unfamiliarity with the Commission's electronic filing system, the Licensee was obligated to fully comply with the Rules, including timely filing of the Stations' renewal applications and maintaining in effect the Station authorizations.<sup>7</sup>

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>8</sup> Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.<sup>9</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>10</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>11</sup> Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."<sup>12</sup>

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.<sup>13</sup> The guidelines also specify a base forfeiture amount of \$10,000 for station construction and/or operation without an instrument of authorization for the service.<sup>14</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and,

with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>15</sup>

6. In this case, the Licensee failed to timely file the KHGN(FM) and K220CN renewal applications and continued operating the Stations for more than one year after their licenses had expired on February 1, 2005, before filing the appropriate applications, never seeking STAs to so operate. Nevertheless, because it had previously been licensed to operate the Station, the latter transgressions are not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for each failure to timely file the renewal applications for the Stations, but reduce the proposed forfeiture for the unauthorized operation of each station from the \$10,000 base amount to \$4,000.<sup>16</sup> Thus, we propose a forfeiture of \$7,000 for each station, for a total proposed forfeiture amount of \$14,000. .

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by Section 309(k) of the Act.<sup>17</sup> That Section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>18</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”<sup>19</sup>

8. We find that the Licensee’s apparent violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.<sup>20</sup> Further, we find that Stations KHGN(FM) and K220CN have served the public interest,

Although in *Gospel Media*, the Bureau imposed a proposed forfeiture of \$3,000 for unauthorized operation, the unauthorized operation lasted only two weeks and the applicant did not allow its STA for continued operations to expire. The \$4,000 forfeiture proposed here for unauthorized operation is analogous to use of an unauthorized frequency by a land mobile station holding a license for a different frequency. See, e.g., *In the Matter of Dave Mitchell*, Forfeiture Order, 20 FCC Rcd 1366 (EB 2005); *In the Matter of Joselyn Gordon*, Forfeiture Order, 19 FCC Rcd 23557 (EB 2004).

<sup>18</sup> 47 U.S.C. § 309(k)(1). The renewal standard was amended to read as described by Section 204(a) of the Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996). See *Implementation of Sections 204(a) and 204(c) of the Telecommunications Act of 1996 (Broadcast License Renewal Procedures)*, Order, 11 FCC Rcd 6363 (1996).

<sup>19</sup> 47 U.S.C. §§ 309(k)(2), 309(k)(3).

<sup>20</sup> For example, we do not find here that the Licensee's operation of the Station "was conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies." See *Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198 (1971). Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Heart of the Black Hills Stations*, 32 FCC 2d at 200. convenience, and necessity during their subject license term. We will therefore grant the license renewal applications below.
