ORDER

Adopted: April 24, 2008

Released: April 30, 2008

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaints¹ alleging that New Century Telecom, Inc. (New Century) changed Complainants' telecommunications service provider without obtaining authorization and verification from Complainants in violation of the Commission's rules.² We conclude that New Century's actions did result in unauthorized changes in Complainants' telecommunications service providers and we grant Complainants' complaints.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of "slamming," the submission or execution of an unauthorized change in a subscriber's selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*,

² See 47 C.F.R. §§ 64.1100 – 64.1190.

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

⁴ 47 U.S.C. § 258(a).

the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission's rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainants' complaints alleging that Complainants' telecommunications service providers had been changed to New Century without Complainants' authorization.¹¹ Pursuant to Sections 1.719 and 64.1150 of our rules,¹² we notified New Century of the complaints and New Century responded.¹³ New Century states that authorizations were received and confirmed through third party verifications (TPVs). We have reviewed the TPVs

⁸ See 47 C.F.R. §§ 64.1140, 64.1160. Any charges imposed by the unauthorized carrier on the subscriber for service provided after this 30-day period shall be paid by the subscriber to the authorized carrier at the rates the subscriber was paying to the authorized carrier at the time of the unauthorized change. *Id.*

¹³ See Appendix A.

submitted by New Century with its responses. The TPVs confirmed that Complainants wanted to switch state to state interLATA service. InterLATA service, in each Complainant's state also includes intrastate interLATA calls. As a consumer can not agree to switch part of a service, we find New Century's verifiers did not obtain authorizations to switch Complainants' interLATA service.¹⁴ Therefore, we find that New Century's actions did result in unauthorized changes in Complainants' telecommunications service and we discuss New Century's liability below.¹⁵

5. New Century must remove all charges incurred for service provided to Complainants for the first thirty days after the alleged unauthorized changes in accordance with the Commission's liability rules.¹⁶ We have determined that Complainants are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and that neither the Complainants authorized carrier nor New Century may pursue any collection against Complainants for those charges.¹⁷ Any charges imposed by New Century on the subscribers for service provided after this 30-day period shall be paid by the subscribers to the their respective authorized carrier at the rates the subscribers were paying to the respective authorized carrier at the time of unauthorized changes of telecommunications service providers.¹⁸

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaints filed against New Century Telecom, Inc. ARE GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(d) of the Commission's rules, 47 C.F.R. § 64.1170(d), Complainants are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and neither Complainants' authorized carrier nor New Century may pursue any collection against Complainants for those charges.

¹⁴ The TPVs also confirmed that Complainants wanted to switch to New Century for calls within the state. Among the services that have instate components are local service, intraLATA service, or interLATA service. It is, therefore, unclear which service the verifiers were trying to confirm when Complainants were asked to switch to New Century for calls within the state.

¹⁵ If a Complainant is unsatisfied with the resolution of this complaint, such Complainant may file a formal complaint with the Commission pursuant to Section 1.721 of the Commission's rules, 47 C.F.R. § 1.721. Such filing will be deemed to relate back to the filing date of such Complainant's informal complaint so long as the formal complaint is filed within 45 days from the date this order is mailed or delivered electronically to such Complainant. *See* 47 C.F.R. § 1.719.

¹⁶ *See* 47 C.F.R. § 64.1160(b).

¹⁷ *See* 47 C.F.R. § 64.1160(d).

¹⁸ *See* 47 C.F.R. §§ 64.1140, 64.1160.

8. IT IS FURTHER ORDERED that this Order is effective upon release.
