II. Background

3. On June 1, 2005, the Licensee filed a license renewal application for the above-listed Station.¹ In the renewal application, the Licensee made disclosures to the Bureau concerning compliance issues with the Commission’s public inspection file rules. Because of the compliance issues raised by those disclosures, the Parties have agreed to enter into this Consent Decree to which both the Licensee and the Bureau intend to be legally bound.

IV. Agreement

4. The Parties acknowledge that any proceeding that might result from the Public File Rule compliance issues referred to in Paragraph 3 above would be time consuming and require a substantial expenditure of public and private resources. In order to conserve such resources, to resolve the matter, and to promote the Licensee’s compliance with the Public File Rule, the Parties are entering into this Consent Decree, in consideration of the mutual commitments made herein.

5. The Parties agree to be legally bound by the terms and conditions of this Consent Decree. Both the Licensee and the Bureau each represent and warrant that its signatory is duly authorized to enter into this Consent Decree on its behalf. The Licensee agrees that the Bureau has jurisdiction over the matters contained in this Consent Decree and the authority to enter into and adopt this Consent Decree.

6. The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Licensee and the Bureau concerning the Licensee’s Violations at the Station, as discussed herein.

7. In express reliance on the covenants and representations in this Consent Decree, the Bureau agrees that it will not use the Violations in any action against the Licensee, provided that the Licensee satisfies all of its obligations under this Consent Decree. In the event that the Licensee fails to satisfy any of its obligations under this Consent Decree, the Bureau may take any enforcement action available pursuant to the Act and the Rules with respect to each Violation, and/or the violation of this Consent Decree.

8. The Licensee hereby stipulates that it has violated the Public File Rule in its maintenance of the public file of the Station during the 1997-2005 license term.

¹ File No. BR-20050601AEN.

9. The Licensee agrees to make a voluntary contribution to the United States Treasury in the amount of Ten Thousand Dollars (\$10,000.00) within thirty (30) days of the Effective Date. Such contribution will be made, without further protest or recourse to a *trial de novo*, by a check or similar instrument, wire transfer or money order drawn to the order of the Federal Communications Commission. The payment must include FRN No. 0011571908. Any payment by check or money order may be mailed to the Federal Communications Commission, P.O. Box 358340, Pittsburgh, PA 15251-8340. Payment by overnight mail may be sent to Mellon Bank/LB 358340, 500 Ross Street, Room 1540670, Pittsburgh, PA 15251. Any payment by wire transfer may be made to ABA Number 043000261, receiving bank Mellon Bank, and Account Number 911-6106, pursuant to Commission procedures for wire transfers.

10. The Bureau agrees to grant the pending renewal application for the Station (File No. BR-20050601AEN) promptly after the Effective Date, provided that the following conditions have been met: 1) the Licensee has fully and timely satisfied its obligation to make the voluntary contribution referenced in paragraph 9 of this Decree; and 2) there are no issues other than the Violations that would preclude the grant of the renewal application.

11. The Licensee represents that, in addition to its existing policies and procedures, it has adopted, is currently in the process of implementing, and agrees to abide by the Compliance Plan for the purpose of ensuring compliance with the Public File Rule, which Compliance Plan is summarized in the Appendix attached hereto. The Licensee agrees, to the extent that it has not already done so, to implement this Compliance Plan at the Station no later than thirty (30) days after the Effective Date and to keep such Compliance Plan in effect for three (3) years after the Effective Date.

12. The Licensee represents that, as of the Execution Date of this Consent Decree, the Station's public file fully comports with the Public File Rule.

13. The Licensee agrees that it is required to comply with each individual condition of this Consent Decree. Each specific condition is a separate condition of the Consent Decree as approved. To the extent that the Licensee fails to satisfy any condition or Commission Rule, in the absence of Commission alteration of the condition or Rule, it will be deemed noncompliant and may be subject to possible enforcement action, including, but not limited to, revocation of the relief, designation of the matter for hearing, letters of admonishment and/or forfeitures.

14. The Consent Decree will be binding on the Licensee's successors and assigns within its term. Licensee agrees that any future application to assign the KSUN(AM) license will include an agreement executed by the proposed assignee consenting to assumption of the responsibilities and duties set forth in this Consent Decree so long as it is in effect.

15. The Licensee waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal, or stay, or to otherwise challenge the validity of this Consent Decree and the Order, provided the Order adopts the Consent Decree without change, addition or modification.

16. The Licensee agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. Section 504 and 47 C.F.R. Section 1.1501 *et seq.*, relating to the matters discussed in this Consent Decree.

17. The Licensee and the Bureau agree that the effectiveness of this Consent Decree is expressly contingent upon issuance of the Order, provided the Order adopts the Consent Decree without change, addition or modification.

18. The Licensee and the Bureau agree that if the Licensee, the Commission or the United States on behalf of the Commission, brings a judicial action to enforce the terms of the Order adopting this Consent Decree, neither the Licensee nor the Commission will contest the validity of the Consent Decree or Order, and the Licensee and the Commission will waive any statutory right to a *trial de novo* with respect to any matter upon which the Order is based (provided in each case that the Order is limited to adopting the Consent Decree without change, addition, or modification), and will consent to a judgment incorporating the terms of this Consent Decree.

19. The Licensee and the Bureau agree that, in the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, it will become null and void and may not be used in any manner in any legal proceeding.

20. This Consent Decree may be signed in counterparts and/or by telecopy and, when so executed, the counterparts, taken together, will constitute a legally binding and enforceable instrument whether executed by telecopy or by original signatures.
