## REMOVAL OF MX GROUP FOR CLOSED AUCTION OF LICENSES FOR CELLULAR UNSERVED SERVICE AREAS SCHEDULED FOR JUNE 17, 2008

Report No. AUC-08-77-C

By this public notice, the Wireless Telecommunications Bureau announces the removal of a mutually exclusive application group from the inventory for Auction 77, a closed auction of Cellular Radiotelephone Service licenses for unserved areas, which is scheduled for June 17, 2008. On May 15, 2008, the Wireless Telecommunications Bureau approved the Joint Request for Approval of Settlement Agreement (“Settlement Agreement”) filed by Keystone Wireless, Inc. (“Keystone”) and Verizon Wireless (VAW) LLC (“Verizon”).<sup>1</sup> As a result, Keystone’s long-form application is withdrawn. Therefore, Verizon’s application in mutually exclusive group FGN 002 (File Nos. 0002387212 and 0002396910) is no longer mutually exclusive with any other application, and mutually exclusive group FGN 002 is removed from the Auction 77 inventory.
