The Advisory Committee on Diversity for Communications in the Digital Age is scheduled to meet on Monday, July 28, 2008. The meeting will begin at 4:00 p.m., in the James Room, Barnard Hall, Barnard College, 3009 Broadway (at 117th Street), New York

The meeting's agenda will include interim reports from the Diversity Committee's three subcommittees regarding progress towards the final report to the Commission: Access to Capital, New Technologies, and Outreach. The reports will be followed by group discussion. The meeting will also include a discussion involving Arbitron's Portable People Meter.

The Advisory Committee on Diversity for Communications in the Digital Age was rechartered by FCC Chairman Kevin Martin. It also develops a description of best practices within the communications sector for promoting diversity of participation.
