## WIRELINE COMPETITION BUREAU GRANTS EXTENSION OF TIME TO FILE COMMENTS ON AT&T'S PETITION FOR AN INTERIM DECLARATORY RULING AND LIMITED WAIVERS

**WC Docket No. 08-152**

**Comments Due: August 21, 2008**  
**Reply Comments Due: September 2, 2008**

On July 17, 2008, AT&T filed a petition that, absent “comprehensive reform,” seeks interim declaratory ruling and limited waivers regarding access charges.<sup>1</sup> Specifically, AT&T asks the Commission to “clarify the applicability of access charges to interexchange” Internet protocol/public switched telephone network (IP/PSTN) traffic.<sup>2</sup> In addition, AT&T seeks “limited waivers of [the Commission’s] rules governing [subscriber line charges] and switched access charges.”<sup>3</sup> On July 24, 2008, the Commission established a pleading cycle for comments on the AT&T Petition.<sup>4</sup> The current deadline for comments is August 14, 2008, and the current deadline for reply comments is August 25, 2008.

On August 6, 2008, COMPTTEL, on behalf of its member companies, filed a Motion for Extension of Time.<sup>5</sup> On August 8, 2008, the Independent Telephone and Telecommunications Alliance (ITTA), National Exchange Carrier Association, Inc. (NECA), Organization for the Promotion and Advancement of Small Telecommunications Companies (OPASTCO), and the Western Telecommunications Alliance (WTA) (collectively, the Associations) filed a Motion for Consolidation of

Proceedings and Extension of Filing Deadline.<sup>6</sup> On August 8, 2008, the National Association of Regulatory Utility Commissioners (NARUC) also filed a Motion for Extension of Time.<sup>7</sup> In support of their motions, COMPTTEL and NARUC explain that the current deadline does not allow enough time for them to complete an analysis and provide comments on the important issues raised by the AT&T Petition.<sup>8</sup> In addition, NARUC claims that the extension of time will serve the public interest by ensuring that the state commissions will be able to participate in the proceeding.<sup>9</sup> COMPTTEL states that an extension of time will not prejudice other parties in this proceeding.<sup>10</sup>

We note that it is the policy of the Commission that extensions of time shall not be routinely granted.<sup>11</sup> However, given the complexity of the issues, the additional time will give all interested parties additional time to file comments, which should lead to a more complete and better-informed record. We thus find that good cause exists to provide all parties an extension of time from August 14, 2008 to **August 21, 2008** for filing comments in this proceeding and from August 25, 2008 to **September 2, 2008** for filing reply comments in this proceeding.
