**ORDER**

**Adopted: September 26, 2008**

**Released: September 30, 2008**

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaints<sup>1</sup> alleging that Silv Communications Inc. (Silv) changed Complainants' telecommunications service providers without obtaining authorization and verification from Complainants' in violation of the Commission's rules.<sup>2</sup> We conclude that Silv's actions did result in unauthorized changes in Complainants' telecommunications service providers and we grant Complainants' complaints.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).<sup>3</sup> Section 258 prohibits the practice of "slamming," the submission or execution of an unauthorized change in a subscriber's selection of

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

a provider of telephone exchange service or telephone toll service.<sup>4</sup> In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.<sup>5</sup> Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.<sup>6</sup> Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.<sup>7</sup>

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.<sup>8</sup> Where the subscriber has paid charges to the unauthorized carrier, the Commission's rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.<sup>9</sup> Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.<sup>10</sup>

4. We received Complainants' complaints alleging that Complainants' telecommunications services providers had been changed from their authorized carriers to Silv without Complainants' authorization. Pursuant to Sections 1.719 and 64.1150 of our rules,<sup>11</sup> we

notified Silv of the complaints.<sup>12</sup> Silv has failed to respond to the complaints. The failure of Silv to respond or provide proof of verification is presumed to be clear and convincing evidence of a violation.<sup>13</sup> Therefore, we find that Silv's actions resulted in an unauthorized change in Complainants' telecommunications services providers and we discuss Silv's liability below.<sup>14</sup> We also will forward a copy of the record of this proceeding to our Enforcement Bureau to determine what additional action may be necessary.

5. Silv must remove all charges incurred for service provided to Complainants for the first thirty days after the alleged unauthorized change.<sup>15</sup> We have determined that Complainants are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and that neither their authorized carriers nor Silv may pursue any collection against Complainants for those charges.<sup>16</sup>

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaints filed by Complainants<sup>17</sup> against Silv ARE GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(d) of the Commission's rules, 47 C.F.R. § 64.1170(d), Complainants' are entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred to the relevant Complainant and neither their authorized carrier nor Silv may pursue any collection against Complainants for those charges.
