**MEDIA BUREAU PROVIDES GUIDANCE FOR CONTINUED PRESUNRISE AND  
POSTSUNSET OPERATIONS DURING MARCH 2008 BY AM STATIONS  
IN AREAS WITH DAYLIGHT SAVING TIME**

Daylight Saving Time (“DST”) commences at 2:00 AM on March 9, 2008. Certain AM stations currently operate with Presunrise Service Authorizations (“PSRAs”) and Postsunset Service Authorizations (“PSSAs”). Licensees with PSRAs and PSSAs located in communities with DST should use the April DST “Advanced” powers and time periods for the period between March 9, 2008, and March 31, 2008. This adjustment is necessitated by the enactment of the US Energy Policy Act of 2005 which extended the effective period for DST into March for the first time.

For additional information or to report potential interference which an AM station believes to be the result of PSRA or PSSA operation by another station during the DST portion of March 2008, contact Charles Miller, Susan Crawford or Son Nguyen of the Audio Division at (202) 418-2700.
