Re: File No. EB-08-SE-198

Dear Mr. Mamakos:

This is an official **CITATION**, issued pursuant to Section 503(b)(5) of the Communications Act of 1934, as amended (“Act”), 47 U.S.C. § 503(b)(5), to LCD Digital Electronics, Inc. (“LCD Digital”) for failure to provide appropriate Consumer Alert disclosures on analog tuner only television receiving equipment in violation of Section 15.117(k) of the Commission’s Rules (“Rules”), 47 C.F.R. § 15.117(k). As explained below, future violations of the Commission’s rules in this regard may subject your company to monetary forfeitures.

On April 14, 2008, an investigator from the Commission’s Enforcement Bureau visited LCD Digital’s internet site, www.lcddigital.tv/televisions.html, and observed that LCD Digital did not have the proper Consumer Alert label displayed on equipment that contained an analog tuner but not a digital tuner at the point of sale. Although some LCD televisions were labeled “This TV is not 2009 compliant,” LCD Digital did not use the appropriate Consumer Alert language as required by our Rules.

Section 15.117(k) of the Commission’s Rules states:

(k) The following requirements apply to all responsible parties, as defined in §2.909 of this chapter, and any person that displays or offers for sale or rent television receiving equipment that is not capable of receiving, decoding and tuning digital signals.

(1) Such parties and persons shall place conspicuously and in close proximity to such television broadcast receivers a sign containing, in clear and conspicuous print, the Consumer Alert disclosure text required by subparagraph (3). The text should be in a size of type large enough to be clear, conspicuous and readily legible, consistent with the dimensions of the equipment and the label. The information may be printed on a transparent material and affixed to the screen, if the receiver includes a display, in a manner that is removable by the consumer and does not obscure the picture, or, if the receiver does not include a display, in a prominent location on the device, such as on the top or front of the device, when displayed for sale, or the information in this format may be displayed separately immediately adjacent to each television broadcast receiver offered for sale and clearly associated with the analog-only model to which it pertains.

(2) If such parties and persons display or offer for sale or rent such television broadcast receivers via direct mail, catalog, or electronic means, they shall prominently display in close proximity to the images or descriptions of such television broadcast receivers, in clear and conspicuous print, the Consumer Alert disclosure text required by subparagraph (3). The text should be in a size large enough to be clear, conspicuous, and readily legible, consistent with the dimensions of the advertisement or description.

(3) "CONSUMER ALERT

This television receiver has only an analog broadcast tuner and will require a converter box after February 17, 2009, to receive over-the-air broadcasts with an antenna because of the Nation's transition to digital broadcasting. Analog-only TVs should continue to work as before with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products. For more information, call the Federal Communications Commission at 1-888-225-5322 (TTY: 1-888-835-5322) or visit the Commission's digital television website at: www.dtv.gov."

Accordingly, it appears that LCD Digital has violated Section 15.117(k)(1) of the Rules by failing to place conspicuously and in close proximity to the following equipment, in clear and conspicuous print, the Consumer Alert label required under Section 15.117(k):

Manufacturer	Device	Model Number
LCDDIGITAL	5" LCD Portable TV	LCD5G
LCDDIGITAL	6" LCD Portable TV	LCD6
LCDDIGITAL	7" LCD Portable TV	LCD7T
LCDDIGITAL	7" LCD Portable TV	LCD7G
LCDDIGITAL	7" LCD Portable TV	LCD7
LCDDIGITAL	7" LCD Portable TV Compact	LCD7L
LCDDIGITAL	7" LCD Portable TV	LCD7M
LCDDIGITAL	8" LCD Portable TV	LCD8DS
LCDDIGITAL	8" LCD Portable TV	LCD8
LCDDIGITAL	9" LCD Portable TV	LCD9
LCDDIGITAL	10.4" LCD Portable TV	LCD10B
LCDDIGITAL	10.4" DVD/TV/USB/GAME/Card	DVDT104

We caution you that failure to display an appropriate Consumer Alert label on any television receiving equipment that is not capable of receiving, decoding and tuning digital signals would constitute a further violation of Section 15.117(k) of the Rules.

If, after receipt of this citation, LCD Digital violates the Communications Act or the Commission's rules in any manner described herein, the Commission may impose monetary forfeitures not to exceed \$11,000 for each such violation or each day of a continuing violation up to \$97,500 for a single continuing violation.¹

¹ See 47 C.F.R. § 1.80(b)(3).
