PUBLIC SAFETY AND HOMELAND SECURITY BUREAU SEEKS COMMENT ON REQUEST FOR WAIVER BY THE STATE OF NEW YORK TO EXTEND “SLOW GROWTH” AUTHORIZATIONS

File No. 0003776692

Comment Date: June 11, 2009

Reply Comment Date: June 26, 2009

The Public Safety and Homeland Security Bureau seeks comment on an application and waiver request filed on March 16, 2009, by the State of New York (New York).¹ Pursuant to Section 1.925 of the Commission’s Rules,² New York seeks waiver of Section 90.629 of the Commission’s Rules (Extended Implementation Period),³ to extend its “slow growth” authorizations.⁴ Specifically, New York represents that it has made “substantial progress” toward completion of a new statewide wireless network for its public safety radio operations,⁵ but that completion of the project was prevented by the default of New York’s prime vendor, which it has terminated.⁶ It therefore proposes to select a new vendor and to complete the project under a project timeline running from April 2009 to April 2014.⁷ New York represents that the “funding process” established for its project “remains in place” despite termination of the contract with its prime vendor.⁸

Pursuant to Sections 1.415 and 1.419 of the Commission’s rules,⁹ interested parties may file comments and reply comments on or before the dates indicated above. All comments and reply comments should reference the subject Waiver Request and the DA number indicated on the May 12, 2009 *Public Notice*.
