**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 13 (ILLINOIS) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES TO HOLD  
700 MHZ REGIONAL PUBLIC SAFETY PLANNING AND 800 MHZ NPSPAC REGIONAL  
PUBLIC SAFETY PLANNING MEETINGS**

**PR Docket No. 91-228**

The Region 13 (Illinois)<sup>1</sup> Public Safety Regional Planning Committees (RPC) will hold two consecutive planning meetings on Wednesday, June 17, 2009. Beginning at 10:00 a.m., the 800 MHz NPSPAC RPC will convene at the Illinois State Police Central Headquarters Building, 801 South 6<sup>th</sup> Street (1<sup>st</sup> floor/M conference room), Springfield, Illinois. The purpose of this meeting is to review any pending 800 MHz applications and address any outstanding issues. Immediately following the 800 MHz NPSPAC RPC meeting, the 700 MHz Public Safety RPC will convene at the same location. The purpose of this meeting is to discuss the status of the 700 MHz plan.

Both of the Region 13 Public Safety RPC meetings are open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, 47 C.F.R. § 90.523, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 13 should plan to attend. For further information, please contact:

Gary J. Cochran, Chairman  
Region 13 800 MHz Public Safety Regional Planning Committee  
Illinois State Police
