**DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL OF
DELAVAN TELEPHONE COMPANY TO
RURAL COMMUNICATIONS HOLDING CORPORATION
NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

WC Docket No. 09-76

Comments Due: June 12, 2009
Reply Comments Due: June 19, 2009

On May 14, 2009, the Shareholders of Delavan Telephone Company (Delavan) and Rural Communications Holding Corporation (RCHC) (collectively, Applicants) filed an application pursuant to sections 63.03 and 63.04 of the Commission's rules¹ requesting approval to transfer control of Delavan to RCHC.

The Applicants do not seek streamlined treatment for this application under section 63.03(b) of the Commission's rules.² Delavan, a Minnesota corporation, provides local exchange telephone services (including interstate exchange access) as an incumbent local exchange carrier (LEC) in the Delavan exchange in Faribault and Blue Earth Counties in rural south central Minnesota. RCHC is a Minnesota holding company that directly or indirectly owns five incumbent LECs that provide local exchange telephone services (including interstate exchange access) and resold interstate toll services in 13 rural exchanges in southern Minnesota and Iowa.³ The Delavan exchange area is adjacent to two exchanges

¹ 47 C.F.R. §§63.03, 63.04; *see* 47 U.S.C. § 214. Applicants are also filing applications for transfer of control associated with authorization for wireless services. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

² 47 C.F.R. § 63.03(b).

³ RCHC owns 100 percent of the following three rural incumbent LECs: Blue Earth Valley Telephone Company, a Minnesota corporation that serves the Blue Earth, Elmore, Guckeen, Huntley, Wells, and Winnebago exchanges in south central Minnesota and Kossuth County, Iowa, and that owns Minnesota Lake Telephone Company, an incumbent LEC in the Minnesota Lake exchange in Faribault, Waseca, and Blue Earth Counties in south central Minnesota; Easton Telephone Company, a Minnesota corporation that serves the Easton exchange in south central Minnesota; and Eckles Telephone Company, a Minnesota corporation that serves the New Prague exchange in south central Minnesota. RCHC also owns 100 percent of Cannon Valley Communications, Inc., a Minnesota corporation, which in turn owns 100 percent of Cannon Valley Telecom, Inc. (CVT), an incumbent LEC that serves the Bricelyn, Freeborn, Frost and Morristown exchanges in rural south Central Minnesota and Iowa. RCHC also has certain non-controlling wireless interests in Minnesota.

owned by RCHC's subsidiaries, Easton Telephone Company's Easton exchange and Blue Earth Valley Telephone Company's Winnebago exchange. Applicants state that Delavan and RCHC's incumbent LEC subsidiaries have, in combination, approximately 12,646 access lines, far fewer than two percent of the nation's subscriber lines installed in the aggregate nationwide, but, because of the adjacent service areas the Applicants have identified, this application is not entitled to presumptive streamlined treatment.

The following U.S. citizens and U.S.-based entities own at least 10 percent of the equity of Delavan: Edward R. Parish (34.31 percent); Patricia A. Parish (33.33 percent); and Anne M. Parrish Irrevocable Trust (32.36 percent).

Blue Earth Valley Communications, Inc., a Minnesota corporation, owns 100 percent of the equity of RCHC. The following U.S. citizens and U.S.-based entities own at least 10 percent of the equity of BEVCOMM: Neil and Sue Eckles (22.41 percent); Gail Eckles (24.66 percent); William V. Eckles (19.84 percent); Eckles Dynasty Trust #1 (16.55 percent); and Eckles Dynasty Trust #2 (16.55 percent).⁴ Applicants state that no other individual or entity will directly or indirectly own at least 10 percent of the equity of Delavan or RCHC after the proposed transaction.⁵

The proposed transaction will be accomplished by the sale of 100 percent of Delavan's common stock (its only class of stock) from its three existing Parish family stockholders to RCHC. When the transaction is completed, all of the issued and outstanding common stock of Delavan will be owned by RCHC, and Delavan will be a wholly-owned subsidiary of RCHC.

Applicants state that the proposed transaction is in the public interest because Delavan and RCHC's incumbent LEC subsidiaries are established rural telecommunications service providers that have proven records of providing high quality service at affordable rates, and that this transaction will ensure that the residents of Delavan continue to receive these benefits.
