## **DOMESTIC SECTION 214 AUTHORIZATION GRANTED**

### **Application Filed for the Transfer of Control of Orlando Telephone Company, Inc. to Summit Broadband Inc.**

**WC Docket No. 09-61**

#### **By the Chief, Wireline Competition Bureau:**

On May 1, 2009, Orlando Telephone Company, Inc. (Orlando Telephone) and Summit Broadband Inc. (Summit Broadband) (collectively, Applicants) filed an application pursuant to section 63.03 of the Commission's rules seeking approval for the transfer of control of Orlando Telephone to Summit Broadband.<sup>1</sup>

The Commission released a public notice accepting the application for streamlined processing on May 8, 2009.<sup>2</sup> On May 29, 2009, the Department of Justice, including the Federal Bureau of Investigation, with the concurrence of the Department of Homeland Security (collectively, the Executive Branch Agencies), filed a letter requesting that the Commission defer grant of this application while they addressed potential national security, law enforcement, and public safety issues.<sup>3</sup> In response to the request, the Wireline Competition Bureau removed the application from streamlined review.<sup>4</sup> On June 16, 2009, the Executive Branch Agencies withdrew their May 29, 2009 request to defer action, stating that they have no comment on this transaction.<sup>5</sup>

The Wireline Competition Bureau finds, upon consideration of the record, that grant of the application will serve the public interest, convenience, and necessity. Upon consummation of the transaction, the resulting entity will have a market share in the U.S. interstate interexchange market of less than 10 percent, and will provide competitive telephone exchange services or exchange access
