MEDIA BUREAU ACTION

COMMENT DATES ESTABLISHED FOR MUSICFIRST PETITION REGARDING THE ACTIONS OF CERTAIN RADIO BROADCASTERS IN OPPOSITION TO THE PERFORMANCE RIGHTS ACT

MB Docket No. 09-143

Comment Date: September 8, 2009

Reply Comment Date: September 23, 2009

The MusicFIRST Coalition (“MusicFIRST”) has filed a petition requesting that the Commission investigate the actions of certain radio broadcasters in opposition to the Performance Rights Act (“PRA”). The PRA is legislation pending before Congress which would provide for the payment of royalties to artists and musicians when their work is played publicly on terrestrial radio. The National Association of Broadcasters (“NAB”) and most individual broadcasters oppose the PRA, while MusicFIRST supports it.¹ MusicFIRST requests that the Commission issue a declaratory ruling that the actions of certain radio broadcasters in opposition to the PRA are contrary to the public interest, and ensure that broadcasters cease such actions.² MusicFIRST also requests that the Commission consider “strengthening the license renewal process and shortening license terms” in the appropriate proceeding.³ In general, MusicFIRST asserts that broadcasters are violating their public interest obligations “[b]y using their licenses over public airwaves to promote their own pecuniary interests and to distort an important matter of public debate.”⁴ Through this *Public Notice*, we seek comment on MusicFIRST’s petition, in particular:

- (i) whether and to what extent certain broadcasters are “targeting and threatening artists who have spoken out in favor of the PRA,”⁵ including a refusal to air the music of such artists;

¹ Request for Declaratory Ruling Filed on Behalf of MusicFIRST Coalition at 4 (filed June 9, 2009).

² *Id.* at 1-4.

³ *Id.* at 16.

⁴ *Id.* at 10.

⁵ *Id.* at 5.

- (ii) the effects of radio broadcasters' alleged refusal to air advertisements from MusicFIRST in support of the PRA;
- (iii) whether and to what extent broadcasters are engaging in a media campaign, coordinated by NAB, which disseminates falsities about the PRA; and
- (iv) whether certain broadcasters have evaded the public file requirements by characterizing their on-air spots in opposition to the PRA as public service announcements.

We also seek comment on any related issues that would inform the Commission's examination of the matters described in the Petition. We recognize that substantial First Amendment interests are involved in the examination of speech of any kind, and it is not clear whether remedies are necessary or available to address the actions alleged by MusicFIRST. We are seeking comment on the issues raised by MusicFIRST in order to develop a more complete factual record.

This proceeding will be treated as "permit but disclose" for purposes of the Commission's *ex parte* rules. *See generally* 47 C.F.R. §§ 1.1200-1.1216. As a result of the permit-but-disclose status of this proceeding, *ex parte* presentations will be governed by the procedures set forth in Section 1.1206 of the Commission's rules applicable to non-restricted proceedings.⁶
