COMMENTS SOUGHT ON PETITION FOR DECLARATORY RULING OF SECURUS TECHNOLOGIES, INC.

WC Docket No. 09-144

COMMENTS DUE: August 31, 2009

REPLY COMMENTS DUE: September 10, 2009

By this Public Notice we seek comment on a petition filed July 24, 2009, by Securus Technologies, Inc. (Securus) requesting that the Commission issue a declaratory ruling that “call diversion schemes are a form of dial-around calling which Securus is permitted to block” under existing Commission precedent.¹ Securus is a holding company that owns the assets of several companies that provide inmate telecommunications services.² According to Securus, “call diversion schemes re-route inmate-initiated calls to unknown terminating telephone numbers.”³ Securus argues that “[c]all diversion schemes encourage calling parties to defraud the correctional facility and the serving telephone providers” and are comparable to dial-around calling, which is prohibited for inmate calls.⁴ Securus, therefore, asks that the Commission affirm that Securus may “block attempts to place calls via known call diversion schemes.”⁵

Interested parties may file comments on the Securus Petition on or before **August 31, 2009** and reply comments on or before **September 10, 2009**. Filings in this proceeding should be captioned “Securus Technologies, Inc. Petition for Declaratory Ruling” and filed in WC Docket No. 09-144.
