NOTICE OF REMOVAL OF DOMESTIC SECTION 214 APPLICATIONS FROM STREAMLINED TREATMENT

WC Docket Nos. 09-203, 09-215

The Wireline Competition Bureau (Bureau) has removed the applications listed in this notice from streamlined treatment pursuant to the Commission's streamlined procedures for domestic section 214 transfer of control applications.¹ Section 63.03(c)(1)(v) of the Commission's rules provides that, at any time after an application is filed, the Commission, acting through the Chief of the Bureau, may notify an applicant that its application is being removed from streamlined processing where the Commission "determines that the application requires further analysis to determine whether a proposed transfer of control would serve the public interest."²

Domestic Section 214 Application Filed for the Transfer of Control of Access Media 3, Inc., WC Docket No. 09-203, Public Notice, DA 09-2475 (rel. Nov. 24, 2009).

Domestic Section 214 Application Filed for the Acquisition of Certain Assets of Master Communications Systems, Inc. d/b/a Avvid Technologies by Access Media 3, Inc., WC Docket No. 09-215, Public Notice, DA 09-2514 (rel. Dec. 1, 2009).

On December 10 and 11, 2009, the Department of Justice, including the Federal Bureau of Investigation, with the concurrence of the Department of Homeland Security (collectively, the Executive Branch Agencies), filed letters requesting that the Commission defer action on these applications while they review potential national security, law enforcement, and public safety issues.³

These applications are being removed from streamlined review in response to the requests filed by the Executive Branch Agencies. Final action on these applications should be expected once the Commission has received notification from the Executive Branch Agencies that the evaluation has been completed, but not later than 180 days from public notice that the applications were accepted for filing.⁴
