Re: Call Sign: E080244  
File No. SES-REG-20081212-01602

Dear Mr. Bjornson:

On December 12, 2008, CSC TKR, Inc. (CSC TKR) filed the above-captioned application to register a C-band receive-only earth station. For reasons discussed below, we dismiss the application as defective, without prejudice to refile.<sup>1</sup>

Section 25.112 of the Commission's rules, 47 C.F.R. § 25.112, requires the Commission to return, as unacceptable for filing, any earth station application that is not substantially complete, that contains internal inconsistencies, or that does not substantially comply with the Commission's rules. CSC TKR did not submit the Frequency Coordination and Interference Analysis Report as required by rule Section 25.203(c) of the Commission's rules, 47 C.F.R. §25.203(c). Therefore, the application is incomplete and subject to dismissal.

Accordingly, pursuant to Section 25.112(a)(1) of the Commission's rules, 47 C.F.R. §25.112(a)(1), and Section 0.261 of the Commission's rules on delegations of authority, 47 C.F.R. §0.261, we dismiss CSC TKR, Inc.'s application without prejudice to refile.

Sincerely,

Scott A. Kotler  
Chief, Systems Analysis Branch  
Satellite Division  
International Bureau

---

<sup>1</sup> If CSC TKR, Inc. refiles an application in which the deficiency identified in this letter has been corrected but otherwise identical to the one dismissed, it need not pay an application fee. See 47 C.F.R. § 1.1109(d).
