## PUBLIC SAFETY AND HOMELAND SECURITY BUREAU EXTENDS THE COMMENT DATES ON REQUEST FOR WAIVER FILED BY THE STATE OF WYOMING TO MODIFY ITS PUBLIC SAFETY STATEWIDE COMMUNICATIONS SYSTEM

File No. 0003764744

**Revised Comment Date: July 30, 2010**  
**Revised Reply Comment Date: August 11, 2010**

On June 9, 2010, the Public Safety and Homeland Security Bureau (the Bureau) released a Public Notice (*Wyoming Public Notice*),<sup>1</sup> seeking comment on the above-captioned modification application and waiver request, filed by the State of Wyoming (Wyoming) on March 9, 2009, and amended May 22, 2009, to add three repeater sites to its statewide narrowband digital trunked radio communications system authorized under call sign WQJA236.<sup>2</sup> The Bureau set June 30, 2010, as the comment date and July 12, 2010, as the reply comment date for the *Wyoming Public Notice*.

On June 15, 2010, the Wireless Telecommunications Bureau commenced the bidding for the auction of paging licenses (Auction 87), which include the same Channel Blocks and BEAs occupied by Wyoming.<sup>3</sup>

On our own motion,<sup>4</sup> we find that an extension of the comment and reply comment dates for the *Wyoming Public Notice* is appropriate to provide interested parties that are participating in Auction 87 additional time to file comments following the completion of the auction. Accordingly, we extend the comment and reply comment dates by 30 days to July 30, 2010, and August 11, 2010, respectively, for the *Wyoming Public Notice*.
