² AFS is authorized to provide telecommunications services in each of these states and Ohio and Tennessee. In addition, AFS is authorized to provide, but does not currently provide such services, in Arizona, Florida, and New York.

Pursuant to the terms of the proposed transaction, AFSHC will merge with and into AFS Acquisition Company, Inc., a direct subsidiary of Zayo Group created for the transaction, with AFSHC surviving. AFSHC will become a direct subsidiary, and AFS will become an indirect subsidiary, of Zayo Group. Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.⁹
