**DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL
OF DIVERSICOM, INC. TO ARVIG ENTERPRISES, INC.**

NON-STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 10-203

Comments Due: October 26, 2010
Reply Comments Due: November 2, 2010

On September 30, 2010, the L.H. Arvig Trust (LHA Trust) and Arvig Enterprises, Inc. (Arvig) (together, Applicants) filed an application pursuant to section 63.03 of the Commission's rules to transfer control of diversiCom, Inc. (DCI) and its wholly owned subsidiaries, Melrose Telephone Company (Melrose) and Mainstreet Communications, LLC (Mainstreet), from the LHA Trust to Arvig.¹

Applicants do not seek streamlined processing for this application under section 63.03(b) of the Commission's rules.² DCI, a Minnesota holding company that does not itself provide telecommunications services, owns Melrose, a Minnesota corporation that provides incumbent local exchange carrier (LEC) and resold interstate toll services in eight rural exchanges in central Minnesota (Eden Valley, Greenwald, Grey Eagle, Kimball, Melrose, Richmond, St. Martin, and Watkins). DCI also owns Mainstreet, a Minnesota limited liability company that provides competitive LEC service and resold interstate toll service in the Sauk Centre exchange in Minnesota. Mainstreet is also authorized to provide competitive LEC services in the Long Prairie, Cold Spring, Alexandria, and Willmar exchanges in central Minnesota, but has not yet commenced services and has no schedule for doing so.³ Applicants state that

¹ 47 C.F.R. § 63.03; *see* 47 U.S.C. § 214. Applicants are also filing applications for a transfer of control associated with authorization for international and wireless services. Any action on this domestic section 214 application is without prejudice to Commission action on other related pending applications.

² 47 C.F.R. § 63.03(b).

³ Applicants state that Melrose and Mainstreet together serve approximately 11,000 access lines. They state that Melrose holds a 33.33 percent interest in Central Minnesota Network Systems, LLC that provides fiber services to schools in Minnesota and a 20 percent interest in Central Transport Group, LLC that provides special access services in Minnesota. DCI also owns Wisper Wireless Solutions, LLC that provides wireless data services in central Minnesota.

the LHA Trust wholly owns DCI, and that the trustees are Frances Monroe, Thomas Arvig, Barrett L. Colombo, and Gilroy Arvig, all U.S. citizens.⁴

Arvig, a Minnesota corporation, provides incumbent LEC, competitive LEC, and long distance services to approximately 40,200 access lines in Minnesota, Wisconsin, and North Dakota through multiple subsidiaries identified in the application. Arvig wholly owns Midwest Information Systems, Inc., a holding company that owns three rural incumbent LECs in Minnesota, including Osakis Telephone Company. The Osakis exchange is adjacent to Mainstreet's Sauk Centre exchange. Applicants further state that Arvig wholly owns Tekstar Cablevision, Inc., a Minnesota corporation that owns 100 percent of Tekstar Communications, Inc. that provides or is authorized to provide competitive LEC and long distance services in 19 central Minnesota exchanges. Tekstar is authorized to provide competitive LEC service in the Long Prairie and Alexandria exchanges in which Mainstreet is also authorized as a competitive LEC, but Applicants state that Tekstar has not commenced providing service in those exchanges and has no schedule for doing so. Because this transaction is more complex than usual, in order to analyze whether the proposed transaction would serve the public interest, this application will not be subject to presumptive streamlined treatment.⁵

Allen R. Arvig, a U.S. citizen, owns 29.34 percent of Arvig, and his family members, all U.S. citizens, each own less than 10 percent of the common stock of the company. The Arvig Employee Stock Ownership Trust, a Minnesota entity, owns 36.70 percent of Arvig. The sole trustee of the Arvig Employee Stock Ownership Trust is Horizon Bank, N.A. d/b/a Horizon Trust and Investment Management, an Indiana entity.

Pursuant to the terms of the proposed transaction, the LHA Trust will sell all of the issued and outstanding stock of DCI to Arvig, and DCI will become a wholly owned subsidiary of Arvig. Applicants state that the proposed transaction is in the public interest because Arvig and DCI are established rural telephone companies that will continue to provide high quality service at affordable rates.
