PROTESTED TARIFF TRANSMITTALS ACTION TAKEN

WCB/Pricing File No. 10-12

Pursuant to authority delegated under sections 0.91 and 0.291 of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, the Pricing Policy Division of the Wireline Competition Bureau has reviewed the petitions to reject or to suspend and investigate the tariff transmittals listed in this Report.

Based on this review, we conclude that the parties filing petitions against the tariff transmittals listed in this Report have not presented compelling arguments that these transmittals are so patently unlawful as to require rejection. Similarly, we conclude the parties have not presented issues regarding the transmittals that raise significant questions of lawfulness that require investigation of the tariff transmittals listed in this Report.

Accordingly, the petitions to reject or suspend and investigate the following tariff transmittals are denied, and the transmittals will, or have, become effective on the date specified below. Applications for review and petitions for reconsideration of this decision may be filed within 30 days from the date of this Public Notice in accordance with sections 1.115 and 1.106 of the Commission's rules, 47 C.F.R. §§ 1.115, 1.106.

Additional information about a particular tariff transmittal may be obtained from the contact person at (202) 418-1520.
