The Wireline Competition Bureau (Bureau) seeks comment on a request filed by the Michigan Public Health Institute (MPHI) for a waiver of Paragraph 94 of the 2007 Pilot Program Selection Order. Pursuant to the 2007 Pilot Program Selection Order, participants in the Rural Health Care Pilot Program (Pilot Program) have five years from the date of their initial funding commitment letter to complete network buildout and submit invoices to USAC for reimbursement. MPHI seeks an additional fifteen months to complete its invoicing process, until December 2015. Alternatively, MPHI requests that the Bureau waive the five-year invoicing period for all Pilot Program participants and allow them five years from the date of each funding commitment letter received to submit invoices to USAC.
