The Wireline Competition Bureau seeks comment on a petition filed by the Adams County E-911 Emergency Telephone Service Authority, the Arapahoe County E-911 Emergency Communication Service Authority, and the Jefferson County Emergency Communications Authority (collectively, the Colorado 911 Authorities).¹ The Colorado 911 Authorities maintain that TracFone Wireless, Inc. ² Because TracFone is a reseller of prepaid wireless services, it may not be designated an eligible telecommunications carrier unless it complies with certain federal conditions. In addition, TracFone must seek certification that it complies with this condition from each public safety answering point (PSAP) where it provide Lifeline service; TracFone may self-certify its compliance if, after 90 days, the PSAP has neither certified TracFone's compliance nor affirmatively found that TracFone is not in compliance. *See Federal-State Joint Board on Universal Service; TracFone Wireless, Inc.
