REPORT AND ORDER
(Proceeding Terminated)

Adopted: March 8, 2010

Released: March 9, 2010

By the Associate Chief, Video Division, Media Bureau:

1. The Commission has before it a Notice of Proposed Rulemaking issued in response to a petition for rulemaking filed by Griffin Licensing, L.L.C. ("Griffin"), the licensee of KWTW-DT, channel 9, Oklahoma City, Oklahoma. Griffin requests the substitution of channel 39 for channel 9 at Oklahoma City. Griffin filed comments reaffirming its interest in the proposed channel substitution. No other comments were received.

2. We believe the public interest would be served by substituting channel 39 for channel 9 at Oklahoma City. Griffin states that it "has experienced significant technical difficulties" since returning to its former VHF analog channel for post-transition operations, and that it "has received viewer complaints from throughout the KWTW-DT service area." Griffin explains that due to its post-transition technical difficulties, it "sought and obtained authority to operate on its pre-transition DTV channel, Channel 39, on an experimental basis," and that "Since obtaining such experimental authority, KWTW-DT has experienced a noticeable increase in the number of viewers able to receive the KWTW-DT signal." Griffin, therefore, concludes that "substituting Channel 39 for Channel 9 at Oklahoma City will substantially resolve the reception issues that KWTW viewers have been experiencing." Finally, Griffin states that the operation of KWTW-DT on channel 39 at Oklahoma City "is predicted to serve 103.4% of the population served by the former KWTW analog Channel 9 facility."

3. Channel 39 can be substituted for channel 9 at Oklahoma City, Oklahoma, as proposed, in compliance with the principal community coverage requirements of Section 73.625(a) of the Commission's rules, at coordinates 35-35-52 N. and 97-29-22 W. In addition, we find that this channel change meets the technical requirements set forth in Sections 73.616 and 73.623 of the Commission's rules with the following

1 Oklahoma City, Oklahoma, DA 10-109 (rel. Jan. 21, 2010).

7. The Commission will send a copy of this Report and Order in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, *see* 5 U.S.C. § 801(a)(1)(A).

8. IT IS FURTHER ORDERED, That this proceeding IS TERMINATED.
