In re: Digital Audio Broadcasting Systems
And Their Impact on the Terrestrial
Radio Broadcast Service, MM Docket
No. 99-325

Petition for Reconsideration

Dear Mr. Jurison:

We have before us a Petition for Reconsideration, filed by Alan W. Jurison on March 8, 2010 (the "Petition"). The Petition was filed in response to an Order ("*Digital Audio Order*") adopted by the Media Bureau under delegated authority in the referenced proceeding.¹ The *Digital Audio Order* was released by the Bureau on January 29, 2010, but has not yet been published in the *Federal Register*.

Petitions for reconsideration of rulemaking actions are governed by Section 1.429(d) of the Commission's Rules ("Rules"). Pursuant to this Rule, a petition for reconsideration must be filed within 30 days of public notice of a final action. Under Section 1.4(b)(1), "public notice" occurs on the date a rulemaking order is published in the *Federal Register*.

Because the *Digital Audio Order* has not yet been published in the *Federal Register*, the pleading cycle for the reconsideration or review of the *Digital Audio Order* has not yet been established. The Petition was therefore prematurely filed and will be dismissed without prejudice. Dismissal will permit interested parties to respond to initial filings in an efficient and coordinated manner while eliminating unnecessary burdens that could arise from the seriatim and piecemeal consideration of issues raised in pleadings submitted in response to the release of the *Digital Audio Order*. In dismissing the Petition, however, we do not intend to prejudice Mr. Jurison's right to re-file within 30 days of the publication of the *Digital Audio Order* in the *Federal Register*.

¹ *Digital Audio Broadcasting Systems and Their Impact on the Terrestrial Radio Broadcast Service*, Order, 25 FCC Rcd 1182 (2010).

Accordingly, the Petition for Reconsideration, filed by Alan W. Jurison on March 8, 2010, IS
HEREBY DISMISSED WITHOUT PREJUDICE.

Sincerely,

Peter H. Doyle
Chief, Audio Division
Media Bureau
