## Clarification Regarding Comment Cycle for Further Notice of Proposed Rulemaking On E-rate Eligible Services List

### CC Docket No. 02-6

On December 2, 2009, the Commission released a further notice of proposed rulemaking (FNPRM) seeking comment on the eligibility of certain services for funding under the schools and libraries universal service support mechanism, also known as the E-rate program.<sup>1</sup> Because Federal Register publication of this item is still pending, we release this public notice to notify commenters that reply comments are not due January 15, as indicated erroneously on the Commission's Electronic Document Management System (EDOCS).<sup>2</sup> As soon as a summary of the further notice is published in the Federal Register, the Wireline Competition Bureau will release a public notice with the correct comment deadlines.

We will consider all comments that already have been filed in response to the FNPRM. Additionally, we note that commenters may refile or supplement comments already filed. We ask that commenters refiling or supplementing their comments inform the Commission that they had previously filed comments and that the current filing either replaces or supplements the earlier filing.

People with Disabilities: To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send an e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or call the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (tty).

For further information regarding this proceeding, contact James Bachtell or Cara Voth, Wireline Competition Bureau, at (202) 418-7400.

<sup>1</sup> *Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Report and Order and Further Notice of Proposed Rulemaking, FCC 09-105 (rel. Dec. 2, 2009).

<sup>2</sup> The Commission set the comment and reply comment deadlines for this FNPRM as 30 and 45 days, respectively, after publication of the summary of the FNPRM in the Federal Register. Although the summary of the FNPRM has yet to be published in the Federal Register, comment and reply comment deadlines were erroneously listed in EDOCS as December 31, 2009, and January 15, 2010, respectively. The erroneous comment deadlines for FCC 09-105 were removed from EDOCS as of January 6, 2010.
