Re: KUSF(FM), San Francisco, California  
Facility ID No. 69143  
File No. BALED-20110125ACE

Dear Applicants:

We have before us the referenced application (the "Application") seeking Commission consent to the assignment of Station KUSF(FM), San Francisco, California (the "Station") from the University of San Francisco ("Licensee") to Classical Public Radio Networks, LLC ("CPRN").<sup>1</sup> As part of the transaction, Licensee and CPRN negotiated and executed a "Public Service Operating Agreement" ("PSOA") pursuant to which CPRN provides programming to be broadcast on the Station prior to approval and consummation of the assignment. The terms of the PSOA present issues involving the parties' compliance with Commission rules and policies concerning the operation and control of the Station. Accordingly, we direct Licensee and CPRN, jointly or separately, pursuant to sections 4(i), 4(j), 308(b) and 403 of the Communications Act of 1934, as amended (the "Act"),<sup>2</sup> to provide responses to the following inquiries, within thirty (30) calendar days from the date of this letter. The Licensee may supplement its responses with additional relevant information pursuant to Sections 1.17 and 1.88 of the Commission's Rules (the "Rules").<sup>3</sup>

**Background.** Under the terms of the PSOA, executed on January 12, 2011, the Licensee agreed to make the Station's facilities available to air programming supplied by CPRN "for up to 24 hours a day,

<sup>1</sup> On February 28, 2011, the Friends of KUSF filed a Petition to Deny the Application, and we have also received pleadings styled "Petition to Deny" or "Informal Objection" from the individuals listed in the Appendix to this letter.

seven days per week” for the term of the agreement.<sup>4</sup> Additionally, the PSOA provides that: (1) the Station transmitter and broadcast equipment owned by Licensee will remain under Licensee’s control at all times;<sup>5</sup> (2) Licensee will retain responsibility for the Station’s compliance with Commission Rules and policies<sup>6</sup> and will employ, at its sole expense, a full-time employee to oversee day-to-day station operations, retain complete control over the Station’s programming (including the right to preempt CPRN programs),<sup>7</sup> retain responsibility for financial control over the operating and capital expenses of the Station, and ensure that the Station complies with the Commission’s main studio rules and policies.<sup>8</sup> Additionally, the PSOA indicates that CPRN will deliver to the Licensee such information as is required to be placed in the Station’s public inspection file by Section 73.3527 of the Rules,<sup>9</sup> will not support or oppose any candidate for political office, and will not broadcast an “advertisement” as defined in Section 399B of the Act.<sup>10</sup>

In consideration for making Station airtime available to CPRN, the PSOA provides that CPRN will reimburse Licensee for any expenses incurred in connection with delivering and broadcasting CPRN programming, including the cost of broadband or other circuit used for delivery and reception of the programming, electrical power to the transmitter site, regulatory fees, insurance rider, and telephone expenses incurred at the transmitter site.<sup>11</sup> Additionally, CPRN will pay to the Licensee: (1) \$5,000 per month for the first 120 days during which the PSOA is in effect; and (2) \$7,000 per month for the remainder of the first year of the PSOA term.<sup>12</sup> CPRN will retain all listener contributions, underwriting revenue, and other support for the Station during the PSOA term.<sup>13</sup>

---

<sup>4</sup> The agreement is to begin upon a date agreed to by the parties (the “Effective Date”) and terminate upon the earlier of: (1) consummation of the assignment; (2) 30 days following termination of the Asset Purchase Agreement; (3) the fifth anniversary of the Effective Date (subject to certain renewability provisions); (4) on April 1, 2011, if the Effective Date had not occurred; or (5) the termination of the PSOA upon a specified default of either party.

<sup>5</sup> PSOA, Section 2. CPRN agrees to reimburse the Licensee for any expenditures required to comply with the Rules regarding main studio operation.

<sup>6</sup> PSOA, Section 3. CPRN agrees to air the station identification announcements required by 47 C.F.R. § 73.1201 during the time when it is programming the station.

<sup>7</sup> PSOA, Section 3. The Licensee may reject or refuse any CPRN program that it believes to be unsuitable, contrary to the public interest, or contrary to station policy, or it may substitute a program which it believes is of greater local or national importance. *Id.* and Exhibit A.

<sup>8</sup> PSOA, Section 3.

<sup>9</sup> 47 C.F.R. § 73.3527. *See* PSOA, Section 3. The Licensee will not be required to receive or address correspondence concerning CPRN programming but will forward such correspondence directly to CPRN. *Id.*

<sup>10</sup> 47 U.S.C. § 399B.

<sup>11</sup> PSOA, Exhibit C.

<sup>12</sup> PSOA, Section 6. The payment will increase for each ensuing year to a monthly amount equal to \$7,000 plus the greater of: 1) 5 %; and 2) the Consumer Price Index plus 2%. *Id.* CPRN also will receive a *pro rata* credit against the compensation due for any portion of the time during which the Licensee does not broadcast CPRN’s programming. *Id.*

**Instructions.** If either party requests that any information or Documents, as defined herein, responsive to this letter be treated in a confidential manner, it shall submit, along with all responsive information and Documents, a statement in accordance with Section 0.459 of the Commission's Rules.<sup>14</sup> Requests for confidential treatment must comply with the requirements of Section 0.459, including the standards of specificity mandated by Section 0.459(b). Accordingly, “blanket” requests for confidentiality of a large set of documents are unacceptable. Pursuant to Section 0.459(c), the Bureau will not consider requests that do not comply with the requirements of Section 0.459.

If either party withholds any information or Documents under claim of privilege, it shall submit, together with any claim of privilege, a schedule of the items withheld that states, individually as to each such item, the numbered inquiry to which each item responds and the type, title, specific subject matter, and date of the item; the names, addresses, positions, and organizations of all authors and recipients of the item; and the specific ground(s) for claiming that the item is privileged.

Each requested Document, as defined herein, shall be submitted in its entirety, even if only a portion of that Document is responsive to an inquiry made herein, unless the Document is a recording or transcript, in which case it should be provided only for the period of time of the broadcast specified in the pertinent inquiry herein. This means that the Document shall not be edited, cut, or expunged, and shall include all appendices, tables, or other attachments, and all other Documents referred to in the Document or attachments. All written materials necessary to understand any Document responsive to these inquiries must also be submitted.

If a Document responsive to any inquiry made herein existed but is no longer available, or if either party is unable for any reason to produce a Document responsive to any inquiry, identify each such Document by author, recipient, date, title, and specific subject matter, and explain fully why the Document is no longer available or why the party is otherwise unable to produce it.

With respect only to Documents responsive to the specific inquiries made herein and any other Documents relevant to those inquiries, both parties are directed to retain the originals of those Documents for twelve (12) months from the date of this letter unless the Licensee is directed or informed by the Media Bureau in writing to retain such Documents for some shorter or longer period of time.

The specific inquiries made herein are continuing in nature. Each party is required to produce in the future any and all Documents and information that are responsive to the inquiries made herein but not initially produced at the time, date and place specified herein. In this regard, each party must supplement its responses (a) if the party learns that, in some material respect, the Documents and information initially disclosed were incomplete or incorrect or (b) if additional responsive Documents or information are acquired by or become known to the party after the initial production. The requirement to update the record will continue for twelve (12) months from the date of this letter unless either party is directed or informed by the Media Bureau in writing that the party's obligation to update the record will continue for some shorter or longer period of time.

For each Document or statement submitted in response to the inquiries below, indicate, by number, to which inquiry it is responsive and identify the person(s) from whose files the Document was retrieved. If any Document is not dated, state the date on which it was prepared. If any Document does not identify its author(s) or recipient(s), state, if known, the name(s) of the author(s) or recipient(s). Each party must identify with reasonable specificity all Documents provided in response to these inquiries.
