  - Presentation
  - Recommendation by frequency review committee (John Chaney)
  - Discussion/vote
- Austin County Change
  - Presentation
  - Recommendation by frequency review committee (John Chaney)
  - Discussion/vote
- Region 49 (Texas-Austin) Request
  - Presentation
  - Recommendation by frequency review committee (John Chaney)
  - Discussion/vote
- Discuss regional issues, projects, updates, meetings, grants
- Discuss and act on new business
- Adjourn

---

<sup>1</sup> The Region 51 (Texas-Houston) area includes the City of Houston and the counties of Shelby, Nacogdoches, San Augustine, Sabine, Houston, Trinity, Angelina, Walker, San Jacinto, Polk, Tyler, Jasper, Newton, Montgomery, Liberty, Hardin, Orange, Waller, Harris, Chambers, Jefferson, Galveston, Brazoria, Fort Bend, Austin, Colorado, Wharton and Matagorda.

A copy of the approved Region 51 700 and 800 MHz plans is located on the Region's web page at <http://www.region51.hctx.net>. In addition, general information is available at the Commission's Public Safety and Homeland Security public safety website at <http://www.fcc.gov/pshs/public-safety-spectrum/700-MHz/>.

The Region 51 Public Safety RPC meetings are open to the public. All eligible public safety providers in Region 51 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 51 should plan to attend. For further information, please contact:
