Comment Deadline Extended in Low Power FM - FM Translator Rule Making

New NPRM Comment Date: September 6, 2011
New NPRM Reply Comment Date: September 20, 2011

On July 12, 2011, the Commission adopted and released a Third Further Notice of Proposed Rule Making in the Matter of Creation of a Low Power Radio Service; Amendment of Service and Eligibility Rules for FM Broadcast Translator Stations.¹ The Media Bureau ("Bureau") announced that comments and reply comments were due by August 29, 2011, and September 12, 2011, respectively.²

The Bureau has received a request that these deadlines be extended, due to the disruptions of business and communications resulting from Hurricane Irene.³ We find that these circumstances justify an extension of the comment period. We therefore extend the deadlines for filing comments and reply comments to the *Third Further Notice* to September 6, 2011, and September 20, 2011, respectively.

For additional information on this proceeding, contact Peter Doyle, Tom Hutton or Kelly Donohue, Audio Division, Media Bureau, (202) 418-2700. Press inquiries should be directed to Janice Wise, (202) 418-8165. TTY: (202) 418-7172 or (888) 835-5322.
