**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 14 (INDIANA) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES
TO HOLD 700 MHZ AND 800 MHZ NPSPAC MEETINGS**

General Docket No. 90-178

The Region 14 (Indiana) Public Safety Regional Planning Committees (RPCs) will hold two consecutive planning meetings on Wednesday, November 16, 2011. Beginning at 1:00 p.m., the 800 MHz Public Safety RPC will convene at the Marion County Department of Public Safety's Division of Public Safety Communications, 47 South State Avenue, Indianapolis, Indiana. The purpose of this meeting is to review any outstanding old business, and address any issues regarding the Region 14 800 MHz Plan.

Immediately following the 800 MHz Public Safety RPC meeting, the 700 MHz Public Safety RPC will convene at the same location.

The agenda for the 700 MHz meeting includes:

- Old business - Adams County mobile repeater application
- New Business - Election of Region 14 700 MHz RPC Officers

Both Region 14 Public Safety RPC meetings are open to the public. All eligible public safety providers in Region 14 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 14 should plan to attend. For further information, please contact:

Alex R. Whitaker
Region 14 800 MHz RPC Secretary, and Region 14 700 MHz RPC Vice-Chairman
