NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: October 21, 2011

Released: October 21, 2011

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. The Media Bureau (“Bureau”) has before it the captioned application of Salmon River Communication, Inc. (the “Licensee”), for renewal of its license for Station KSRA-FM, Salmon, Idaho (the “Station”). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (“NAL”)* issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”),¹ by authority delegated to the Bureau under Section 0.283 of the Rules,² we find that the Licensee apparently willfully violated Section 73.3539 of the Rules,³ by failing to file a timely license renewal application for the Station, and apparently willfully and repeatedly violated Section 301 of the Act,⁴ by engaging in unauthorized operation of the Station after its authorization had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of thirteen thousand dollars (\$13,000), and we grant the Station’s license renewal application.

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed “not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed.”⁵ An application for renewal of KSRA-FM’s license should have been filed by June 1, 2005. No such application was filed, and the Station’s license expired on October 1, 2005. Accordingly, on September 28, 2010, the staff wrote to the Licensee, indicating that the Station’s license had expired and that: (1) all authority to operate the Station was terminated; and (2) the Station’s call letters had been deleted from the Commission’s data base. The Licensee was advised

that any operation of the station was then unauthorized and must cease immediately.⁶ Upon receipt of the *License Expiration Letter*, on October 6, 2010, the Licensee filed a request for special temporary authorization (“STA”) to continue Station operations pending consideration of the untimely filed renewal application,⁷ and shortly thereafter filed the subject renewal application. The staff granted the STA Request on November 9, 2010, and it expired on May 9, 2011.⁸ In the STA Request, the Licensee indicates that KSRA-FM simply inadvertently failed to file a timely license renewal application for the Station.

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee has failed to file a timely license renewal application for Station KSRA-FM, as required by Section 73.3539(a) of the Rules. Moreover, Licensee violated Section 301 of the Act by continuing to operate the Station for more than five years after the license had expired on October 1, 2005, before filing the appropriate renewal application and seeking STA to so operate. It also continued operating the Station after the expiration of the STA on May 22, 2011, an additional violation of Section 301 of the Act. Licensees are obligated to comply fully with the Rules and the Act, including filing a timely renewal application and maintaining in effect the station’s authorization.⁹ Here, the Licensee did not do so.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have failed willfully or repeatedly to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹⁰ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.¹¹ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹² and the Commission has so interpreted the term in the Section 503(b) context.¹³ Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹⁴

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹⁵ The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.¹⁶ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁷

6. In this case, the Licensee failed to file a timely renewal application for the Station, and continued operating the Station for more than five years after its license had expired on October 1, 2005, before filing the appropriate renewal application STA request. It also has continued to operate the Station after its STA expired on May 9, 2011. Moreover, although the licensee claims that the failure to file a timely renewal application for the Station was unintentional, the Commission has held that violations resulting from inadvertent error or failure to become familiar with the FCC's requirements are willful violations.¹⁸ Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to file a timely renewal application, and for the full \$10,000 amount for the Licensee's extended periods of unauthorized operation of the Station. Thus, we propose forfeiture in the total amount of \$13,000.¹⁹

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by Section 309(k) of the Act.²⁰ That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.²¹ If, however, the licensee fails to meet that standard, the Commission may deny the

²⁰ 47 U.S.C. § 309(k).

²¹ 47 U.S.C. § 309(k)(1). The renewal standard was amended to read as described by Section 204(a) of the Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996). See *Implementation of Sections 204(a) and 204(c) of the Telecommunications Act of 1996 (Broadcast License Renewal Procedures)*, Order, 11 FCC Rcd 6363 (1996).

application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”²²

8. We find that the Licensee’s violation of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse.²³ Further, we find that Station KSRA-FM served the public interest, convenience, and necessity during the subject license term. We will grant the license renewal application shortly after the release of this *Order*.
