ORDER

Adopted: November 10, 2011

Released: November 14, 2011

By the Chief, Telecommunications Consumers Division, Enforcement Bureau:

1. In this Order we determine that no forfeiture penalties should be imposed on the companies listed in the Appendix.
2. In the various Notices of Apparent Liability listed in the Appendix we found several companies apparently liable for forfeitures for violating section 222 of the Communications Act of 1934, as amended (the Communications Act or Act),¹ section 64.2009(e) of the Commission’s rules,² and the Commission’s *EPIC CPNI Order*³ because it appeared they had not filed a compliant CPNI certification for calendar year 2007. Consistent with section 503(b)(4) of the Act, each of these companies was granted an opportunity to show, in writing, why no such forfeiture should be imposed.
3. Upon review of the record, and based upon additional information provided by the companies, we agree that no forfeiture penalties should be imposed on each of the companies listed in the Appendix.
4. **ACCORDINGLY, IT IS ORDERED** that, pursuant to section 503(b) of the Communications Act of 1934, as amended, and sections 0.111, 0.311, and 1.80(f)(4) of the Commission’s rules, the proposed forfeiture issued to the companies in the attached Appendix **WILL NOT BE IMPOSED**.

¹ 47 U.S.C. § 222.
² 47 C.F.R. § 64.2009(e).
³ *Implementation of the Telecommunications Act of 1996: Telecommunications Carriers’ Use of Customer Proprietary Network Information and Other Customer Information; IP-Enabled Services*, Report and Order and Further Notice of Proposed Rulemaking, 22 FCC Red 6927, 6953 (2007) (*EPIC CPNI Order*); *aff’d sub nom. Nat’l Cable & Telecom. Assoc. v. FCC*, 555 F.3d 996 (D.C. Cir. 2009).

5. **IT IS FURTHER ORDERED** that a copy of this Order shall be sent by First Class Mail and Certified Mail Return Receipt Requested to each of the companies in the attached Appendix.

FEDERAL COMMUNICATIONS COMMISSION

Richard A. Hindman
Chief
Telecommunications Consumers Division
Enforcement Bureau
