The Commission seeks comment generally on the Preliminary Plan and also seeks specific recommendations as outlined below.

The Commission is committed to being a responsive, efficient and effective agency that harnesses and promotes the technological and economic opportunities of the new millennium. In furtherance of these objectives, the Commission seeks comment on the following questions:

- 2) How can the Commission further reduce burdens on industry and consumers while fostering competition, diversity and innovation?
- 3) Are there Commission rules or reporting requirements that are duplicative or that have conflicting requirements among its bureaus and offices or with other agencies?
- 4) Are there Commission rules or reporting requirements that could be modified to better accomplish their regulatory objectives?

Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf).
