ORDER

Adopted: December 23, 2011

Released: December 27, 2011

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaint¹ alleging that BCN Telecom, Inc (BCN) changed Complainant's telecommunications service provider without obtaining authorization and verification from Complainant in violation of the Commission's rules.² We conclude that BCN's actions violated the Commission's carrier change rules and we grant Complainant's complaint.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of "slamming," the submission or execution of an unauthorized change in a subscriber's selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*, the

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

⁴ 47 U.S.C. § 258(a).

Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission's rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainant's complaint on April 9, 2009, alleging that Complainant's telecommunications service provider had been changed to WorldCom without Complainant's authorization. Pursuant to Sections 1.719 and 64.1150 of our rules,¹¹ we notified MCI of the complaint because WorldCom no longer existed,¹² MCI responded on May 28,

⁸ See 47 C.F.R. §§ 64.1140, 64.1160. Any charges imposed by the unauthorized carrier on the subscriber for service provided after this 30-day period shall be paid by the subscriber to the authorized carrier at the rates the subscriber was paying to the authorized carrier at the time of the unauthorized change. *Id.*

¹² WorldCom and MCI earlier had merged.

2009.¹³ Based on MCI's response and pursuant to Sections 1.719 and 64.1150 of our rules,¹⁴ we notified Verizon of the complaint and Verizon responded September 17, 2009.¹⁵ Based on Verizon's response and pursuant to Sections 1.719 and 64.1150 of our rules,¹⁶ we notified BCN of the complaint. BCN has failed to respond.¹⁷ The failure of BCN to respond or provide proof of the verification is presumed to be clear and convincing evidence of a violation.¹⁸ Therefore, we find that BCN's actions resulted in a violation of our carrier change rules and we discuss BCN's liability below.¹⁹ We also will forward a copy of the record of this proceeding to our Enforcement Bureau to determine what additional action may be necessary.

5. BCN must remove all charges incurred for service provided to Complainant for the first thirty days after the alleged unauthorized change in accordance with the Commission's liability rules.²⁰ We have determined that Complainant is entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and that BCN may not pursue any collection against Complainant for those charges.²¹ Any charges imposed by BCN on the subscriber for service provided after this 30-day period shall be paid by the subscriber to their authorized carrier at the rates the subscriber was paying at the time of the unauthorized change.²²

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaint filed against BCN Telecom, Inc., IS GRANTED.
