**TORONTO ASIA TELE ACCESS TELECOM, INC. REQUESTS A RULING REGARDING
APPLICATION OF SECTIONS 214 AND 254 TO ITS PROVISION OF INTERNATIONAL VOIP
PEERING AND DISTRIBUTION OF PRIVATE LABEL PREPAID CALLING CARDS**

IB Docket No. 11-58

PLEADING CYCLE ESTABLISHED

Comments Due: April 29, 2011
Replies Due: May 16, 2011

Toronto Asia Tele Access Telecom, Inc. (“Petitioner”) seeks a declaratory ruling that it is and has been lawfully operating as an international service provider since 2006, has not been required to obtain authorization for the services it is providing from the Commission under section 214 of Communications Act of 1934, as amended (the “Act”),¹ and has not been obligated to report or contribute to the federal Universal Service Fund (USF) under section 254 of the Act and the Commission’s rules and requirements.²

Petitioner, a Canadian company, provides service in the United States under the name “TATA Telecom.” It states that it entered the U.S. market in 2006 as a private label distributor of prepaid calling cards, and that it presently provides prepaid calling cards to its U.S. distributors and provides IP-enabled calling, SMS and web dialing through its websites to U.S. customers. Petitioner does not currently hold international section 214 authority to provide international services,³ has not registered with the Commission,⁴ and does not contribute to the USF.⁵

¹ 47 U.S.C. § 214.

² 47 U.S.C. § 254.

³ Petitioner does have a pending application requesting international section 214 authorization to provide facilities-based service in accordance with section 63.18(e)(1) of the Commission’s rules, and also to provide resale service in accordance with section 63.18(e)(2) of the Commission’s rules, 47 C.F.R. § 63.18(e)(1), (2). See ITC-214-20100907-00357.

⁴ See 47 C.F.R. § 64.1195.

⁵ See 47 C.F.R. § 54.706.

Petitioner is involved in ongoing trademark litigation regarding use of the name “TATA.”⁶ According to Petitioner, a central, and potentially dispositive, issue in that litigation is the lawfulness of the services it has been providing in the United States; in other words, whether it needs section 214 authority to provide such services and whether it must contribute to the USF based on the provision of those services. Petitioner states that it has filed a Motion to Stay with the court pending Commission action on its petition.

Specifically, Petitioner seeks a ruling from the Commission that (1) it has been lawfully operating as an international service provider since its entry into the U.S. market in 2006 as a private label prepaid calling card distributor; (2) it has been lawfully providing international service through its VoIP peering arrangements; (3) it is not providing a telecommunications service that requires authorization pursuant to section 214; and, (4) it is not required to file reports for or contribute to the USF.
