¹ 47 C.F.R § 63.03; *see* 47 U.S.C. § 214. Applicants also filed an application for transfer of control associated with authorizations for a Paging and Radiotelephone Service license and a Common Carrier Fixed Point-to-Point Microwave Service license. Applicants state that neither the DAM Revocable Trust or Darby A. McCarty hold a tent percent or greater interest in any other telecommunications provider.

The proposed transaction will be accomplished by the transfer of voting stock of Smithville Holding currently held by the DAM Residuary Trust to the DAM Revocable Trust. Applicants state that at the completion of the proposed transaction, the DAM Revocable Trust will own all of the voting stock of Smithville Holding and will thereby have control of Smithville Telephone and RB Telephone and their blanket domestic section 214 authorizations.² Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(1)(ii) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.³
