COMMENTS INVITED ON APPLICATION OF CLOSECALL AMERICA, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 11-6
Comp. Pol. File No. 975

Comments Due: January 28, 2011

Section 214 Application

Applicant: CloseCall America, Inc.

On **December 20, 2010, CloseCall America, Inc.** (CCA or Applicant), located at **101A Log Canoe Circle, Stevensville, MD 21666**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of certain domestic telecommunications services in Maine, New Hampshire, Rhode Island and Vermont (collectively Service Areas).¹ By an amendment filed January 12, 2011, CCA corrected certain deficiencies in its initial application and updated the record regarding notice to the Special Assistant for Telecommunications for the Secretary of Defense. Accordingly, CCA's application is deemed complete as of January 12, 2011.

CCA indicates that it currently provides resold local exchange services to residential and business customers in Maine and Rhode Island; resold long distance services to residential and business customers in Maine, New Hampshire and Vermont; and wireless services to residential and business customers in Maine and New Hampshire. CCA states, however, that it plans to discontinue the provision of all affected services in the Service Areas on or after January 21, 2011, subject to regulatory approval. In its notices to customers, CCA specifies that it anticipates discontinuing services subject to regulatory approval on January 21, 2011 in Maine, Rhode Island and Vermont; and on February 10, 2011 in New Hampshire. CCA indicates that it provided customer notification of the proposed discontinuance with letters sent on December 15, 2010. CCA states that it is non-dominant with respect to the services it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, CCA's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies CCA that the grant will not be automatically effective. In its application, CCA indicates that it plans to discontinue services on or after January 21, 2011 subject to regulatory approval, and, in its notices to customers, CCA specifies that it anticipates discontinuing services on January 21,

¹ CCA's application was subsequently received in the Competition Policy Division of the Wireline Competition Bureau on January 5, 2011.

2011 in Maine, Rhode Island and Vermont; and on February 10, 2011 in New Hampshire. Accordingly, pursuant to section 63.71(c) and the terms of CCA's application and notices, absent further Commission action, CCA may terminate all affected services in the Service Areas on or after **February 13, 2011**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **January 28, 2011**. Such comments should refer to **WC Docket No. 11-6 and Comp. Pol. File No. 975**.
