**NOTICE OF PROPOSED RULE MAKING**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Georgia-Carolina Radiocasting Company, LLC (“Petitioner”), licensee of WSGC-FM, Tignall, Georgia. Petitioner proposes to amend the FM Table of Allotments, Section 73.202(b) of the Commission’s rules, by substituting Channel 287A for vacant Channel 244A at Tignall, Georgia. This proposal is part of a contingently filed “hybrid” application and rule making petition.

2. **Background.** In its contingent application, Petitioner proposes that the license for FM Station WSGC-FM be modified to specify operation on FM Channel 244A rather than FM Channel 287A.<sup>1</sup> Correspondingly, Petitioner proposes to amend the FM Table of Allotments by substituting Channel 287A for vacant Channel 244A, at Tignall, Georgia. Petitioner asserts that Station WSGC-FM currently receives interference from co-channel WZKQ-LP, Hodges, South Carolina, and that moving the Station WSGC-FM to Channel 244A would eliminate that interference. Petitioner further states that the allotment site for proposed vacant Channel 287A at Tignall would be fully spaced to WZKQ-LP, unlike the licensed site for Station WSGC-FM, currently operating on Channel 287A.

3. **Discussion.** The proposed change in the FM Table of Allotments warrants consideration because it would comply with our technical requirements and could serve the public interest. This channel substitution will eliminate the circumstances giving rise to potential interference between the transmissions of Station WSGC-FM and the transmissions of co-channel WZKQ-LP, and would further result in the vacant channel 287A being fully spaced from WZKQ-LP. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to Tignall, Georgia, as set forth below:

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.
