## **COMMENTS INVITED ON APPLICATION OF ABSOLUTE HOME PHONES, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**WC Docket No. 12-330**  
**Comp. Pol. File No. 1057**

**Comments Due: November 26, 2012**

### **Section 214 Application**

**Applicant: Absolute Home Phones, Inc.**

On **October 10, 2012**, **Absolute Home Phones, Inc.** (Absolute or Applicant), located at **P.O. Box 830010, Ocala, FL 34483**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in Alabama, Florida, Kentucky, Louisiana, North Carolina and Tennessee (collectively Service Areas).<sup>1</sup>

Absolute indicates that it currently offers prepaid wireline service packages in the Service Areas including resold residential local exchange services and interexchange services (intrastate and interstate) that it provides using AT&T as its underlying carrier.<sup>2</sup> Absolute asserts that, in response to changing market conditions, it has determined that it is no longer feasible to offer its current resold wireline service packages in the AT&T territories. Absolute therefore proposes to discontinue its prepaid wireline residential local exchange and interexchange services in the Service Areas. Absolute specifies that it plans to discontinue services on December 6, 2012, subject to regulatory approval. According to Absolute, written notice of the planned discontinuance was sent to affected customers by first-class mail on October 10, 2012. Absolute states that the notice to customers provides a toll-free telephone number that customers may call to reach Absolute service representatives for assistance with the proposed transition. Absolute maintains that the planned discontinuance will not result in harm to affected customers because they are being provided with ample notice of the discontinuance, and equivalent service offerings are available from other carriers. Absolute adds that one or more other carriers in each state provide similar prepaid packages and that many more carriers, including the incumbent carrier, AT&T, provide these services on a post-paid basis. Absolute represents that it is non-dominant with respect to the services it proposes to discontinue.

<sup>1</sup> Although Absolute's application was initially determined to be in red light status, Absolute completed payment on outstanding debts so that its red light status was cleared and updated to green on November 9, 2012.

<sup>2</sup> Absolute states that it currently does not have any customers for these services in Alabama, Louisiana and Tennessee.

In accordance with section 63.71(c) of the Commission's rules, Absolute's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Absolute that the grant will not be automatically effective. In its application, Absolute indicates that it plans to discontinue prepaid wireline residential local exchange and interexchange services in the Service Areas on December 6, 2012, subject to regulatory approval. Accordingly, pursuant to section 63.71(c) and the terms of Absolute's application, absent further Commission action, Absolute may terminate prepaid wireline residential local exchange and interexchange services in the Service Areas on or after **December 10, 2012**, in accordance with Absolute's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **November 26, 2012**. Such comments should refer to **WC Docket No. 12-330 and Comp. Pol. File No. 1057**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
