**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 35 (OREGON) PUBLIC SAFETY REGIONAL PLANNING COMMITTEE  
TO HOLD 700 MHZ MEETING**

The Region 35 (Oregon) Public Safety Regional Planning Committees (RPCs) will hold a planning meeting on Thursday, December 13, 2012, from 1:30 p.m. until 3:00 p.m., at the Washington County Consolidated Communications Agency, Lower Training Room, 17911 N.W. Evergreen Parkway, Beaverton, Oregon.

The agenda for the 700 MHz meeting includes:

- Opening introductions and facility logistics
- Approval of August 3, 2012 Meeting Minutes
- Application Review for P25 700 MHz system for Rogue Valley Transit District, Medford, Oregon
- Adjourn

The Region 35 700 MHz Public Safety RPC meeting is open to the public. All eligible public safety providers in Region 35 may utilize these frequencies. To ensure that RPC meetings consider each agency's future spectrum need in the allocation process, it is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz band within Region 35 should plan to attend. For further information, please contact:
