OF VARIOUS LICENSES, LEASES, AND AUTHORIZATIONS FROM SPRINT TO
SOFTBANK, AND TO THE GRANT OF A DECLARATORY RULING UNDER SECTION
310(B)(4) OF THE COMMUNICATIONS ACT**

IB Docket No. 12-343

PLEADING CYCLE ESTABLISHED

Petitions to Deny Due: January 4, 2013
Oppositions Due: January 22, 2013
Replies Due: February 1, 2013

I. INTRODUCTION

Softbank Corp. (“SoftBank”),¹ its indirect U.S. subsidiary Starburst II, Inc. (“Starburst II”), and Sprint Nextel Corporation (“Sprint” and, together with SoftBank and Starburst II, the “Applicants”) have filed applications (collectively, the “Applications”) pursuant to sections 214 and 310(d) of the Communications Act of 1934, as amended (the “Communications Act”),² and sections 34-39 of the Submarine Cable Landing Act.³ The Applicants seek Commission consent to the transfer of control of various wireless licenses and leases, domestic section 214 authority, international section 214 authorizations, earth station authorizations, interests in submarine cable licenses, and cable television relay service station licenses held by Sprint and its subsidiaries, and by Clearwire Corporation (“Clearwire”), to SoftBank and Starburst II.⁴

¹ SoftBank is a publicly traded holding company organized and existing under the laws of Japan. SoftBank and its subsidiaries are engaged in various information technology and Internet-related businesses in Japan, including mobile communications, broadband infrastructure, fixed-line telecommunications, e-commerce, and web portals. SoftBank also invests in Internet-based companies throughout the world. *See* Applications of Sprint Nextel Corporation, Transferor, and SoftBank Corp., and Starburst II, Inc., Transferees, for Consent to Transfer of Control of Licenses and Authorizations, Public Interest Statement, IB Docket No. 12-343 (“Public Interest Statement”), at 4-5. SoftBank has established a U.S. holding company, Starburst I, Inc. (“Starburst I”) and two further U.S. subsidiaries, Starburst II, Inc. (“Starburst II”), which is wholly owned by Starburst I, and Starburst III, Inc. (“Merger Sub”), which is wholly owned by Starburst II. *See* Public Interest Statement at 7.

² 47 U.S.C. §§ 214, 310(d).

³ 47 U.S.C. §§ 34-39.

⁴ Sprint, a Kansas corporation, is primarily a holding company. It offers a range of communications services and products through its subsidiaries, including, but not limited to, Sprint Communications Company, L.P., Virgin

Additionally, Sprint, SoftBank, SoftBank’s direct U.S. subsidiary Starburst I, Inc. (“Starburst I”), and Starburst II (together, the “Petitioners”) have filed a petition (“Petition”) requesting a declaratory ruling that it is in the public interest for the foreign shareholders of Starburst I and Starburst II to hold foreign ownership and voting rights in Sprint and its post-transaction direct and indirect licensee subsidiaries in excess of the 25 percent foreign ownership benchmarks in section 310(b)(4) of the Communications Act.⁵

Sprint and SoftBank have entered into agreements through which SoftBank would invest over \$20 billion in Sprint and will acquire approximately a 70 percent indirect interest in Sprint, with the remaining interest held by existing Sprint shareholders.⁶ Under the agreements, SoftBank has formed three new U.S. subsidiaries: (1) Starburst I, which SoftBank directly and wholly owns; (2) Starburst II, which Starburst I directly and wholly owns; and (3) Merger Sub, which Starburst II directly and wholly owns. As part of the transaction, Sprint would merge with Merger Sub, with Sprint being the surviving entity, and Starburst I having approximately a 70 percent interest in Starburst II.⁷ After consummation of the transaction, Starburst II would wholly own and control Sprint. SoftBank, through Starburst I, would own slightly less than 70 percent of the shares of Starburst II, and the existing shareholders of Sprint would own the remaining shares of Starburst II.⁸ Sprint and its subsidiaries would continue to hold all of the Commission authorizations they currently hold. The Applicants state that, by virtue of Softbank’s acquisition of an approximately 70 percent indirect interest in Sprint, SoftBank would indirectly acquire Sprint’s prospective *de jure* controlling interest in Clearwire, a Commission licensee.⁹

The Applicants assert that the proposed transaction will benefit consumers by promoting greater wireless competition and broadband innovation and deployment. The Applicants also contend that, because SoftBank and Sprint are not competitors, and SoftBank has no attributable interests in any other U.S. wireless carriers, its acquisition of a controlling interest in Sprint will not have adverse competitive effects or other public interest harms.¹⁰

Mobile, L.P., and Sprint Spectrum, L.P. See Public Interest Statement at 3, n.3. Sprint also has a voting interest of approximately 48 percent in Clearwire, a Commission licensee, and has entered into an agreement to acquire additional shares in Clearwire. Upon approval and consummation of that agreement, Sprint would own up to 50.45 percent of Clearwire’s voting stock. *Id.* at 4. In addition, Sprint has announced its intent to acquire certain Personal Communications Service (“PCS”) spectrum licenses and customers from U.S. Cellular in certain markets. Sprint and U.S. Cellular will file applications for assignment of the affected spectrum licenses from U.S. Cellular to Sprint. *Id.*

⁵ 47 U.S.C. § 310(b)(4).

⁶ See Public Interest Statement at 6-7.

⁷ See Public Interest Statement at 7. SoftBank would have the right to designate six of Starburst II’s ten directors. The remaining directors would consist of the CEO and three other current directors of Sprint. *Id.* at n.11.

⁸ See Public Interest Statement at 7. As part of the transaction, Sprint shareholders would receive approximately \$12.1 billion from SoftBank via its subsidiaries in exchange for approximately 1.7 billion shares of Sprint stock. Starburst II would be renamed Sprint Corporation after consummation of the merger. *Id.*

VIII. PETITION FOR DECLARATORY RULING UNDER SECTION 310(B)(4)

Petitioners ask the Commission to find that the foreign ownership of Starburst I, and of Starburst II (to be renamed “Sprint Corporation”), which will control Sprint following the merger of Merger Sub with and into Sprint, is in the public interest under section 310(b)(4). Specifically, the Petition seeks a

declaratory ruling allowing up to 100 percent aggregate foreign ownership in Sprint and its post-transaction direct and indirect licensee subsidiaries upon consummation of the proposed transaction, consisting of: (1) an approximately 70 percent indirect foreign ownership interest derived from the approximately 70 percent indirect interest that Softbank will acquire in Sprint; (2) an approximately 5.78 percent foreign interest derived from the approximately 30 percent interest in Sprint to be held by various former Sprint shareholders; and (3) an additional 25 percent aggregate equity and/or voting interest from foreign investors that could be accepted without seeking prior Commission approval under section 310(b)(4), subject to the standard conditions that no more than 25 percent of Sprint’s total ownership is attributable to entities from non-WTO countries, and/or that no more than 25 percent is attributable to a single previously unidentified entity from a WTO member country.¹⁵

The Petition has been assigned the following IBFS file number:
