By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Cochise Media Licenses, LLC (“Petitioner”). Petitioner proposes to amend the FM Table of Allotments, Section 73.202(b) of the Commission’s rules, by allotting FM Channel 229C3 at Dove Creek, Colorado, as that community’s first local service.

2. **Background.** Petitioner filed both a Petition for Rulemaking and an FCC Form 301 application for FM Channel 229C3 at Dove Creek, Colorado.<sup>1</sup> Petitioner submitted a filing fee for its application, pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*.<sup>2</sup> Petitioner states that if Channel 229C3 is allotted at Dove Creek, it will prosecute its application and participate in any auction of the Dove Creek allotment. Finally, Petitioner represents that if it is the winning bidder and is granted a construction permit, it will promptly construct the authorized facilities.

3. Petitioner asserts that the proposed amendment of the FM Table of Allotments would serve the public interest because allotment of Channel 229C3 could provide a first local service to Dove Creek. Petitioner explains that FM Station KDVC, previously licensed at Dove Creek, was allowed to change its community of license to Loma, Colorado.<sup>3</sup> In addition, a construction permit for a new NCE FM station at Dove Creek expired unbuild on January 29, 2012.<sup>4</sup>

4. **Discussion.** The proposed change in the FM Table of Allotments warrants consideration because it complies with our technical requirements and could serve the public

interest. This allotment would provide a potential first local service to the community of Dove Creek, Colorado, an incorporated town of 735 persons. We previously found Dove Creek to be a community for allotment purposes,<sup>5</sup> but no station is currently allotted there. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to Dove Creek, Colorado, as set forth below:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.<sup>7</sup> This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.<sup>8</sup>

8. For further information concerning these proceedings, contact Deborah A. Dupont, Media Bureau, at (202) 418-7072. For purposes of these restricted notice and comment rule making proceedings, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in the particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the Petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.
