TO VERIZON WIRELESS FROM SPECTRUMCO and COX TMI WIRELESS, LLC, AND
DESIGNATES THESE APPLICATIONS AS PERMIT-BUT-DISCLOSE UNDER THE
COMMISSION'S *EX PARTE* RULES**

WT Docket No. 12-4

Cellco Partnership d/b/a Verizon Wireless (“Verizon Wireless”) and SpectrumCo, LLC (“SpectrumCo”) filed an application seeking to assign 122 Advanced Wireless Services (AWS) licenses to Verizon Wireless from SpectrumCo.¹ In a separate filing, Verizon Wireless and Cox TMI Wireless, LLC (“Cox”) filed an application seeking to assign 30 AWS licenses to Verizon Wireless from Cox.² The purpose of this public notice is to announce the opening of a docket, WT Docket No. 12-4, and establish the *ex parte* status of any discussions related to the applications. We note that the applications have not yet been accepted for filing. When they are, we will issue a separate public notice or notices announcing that fact and setting forth a pleading schedule.

Pursuant to section 1.1200(a) of the Commission’s rules,³ the Commission may in its discretion modify the *ex parte* procedures in particular proceedings if the public interest so requires. We announce that these applications will be governed by the permit-but-disclose *ex parte* procedures that are applicable to non-restricted proceedings under section 1.1206 of the Commission’s rules.⁴ Parties making oral *ex parte* presentations are reminded that they must file notices of the presentations which must contain, with regard to material already in the written record, either a succinct summary of the matters discussed or a citation to the page or paragraph number in the party’s written submission(s) where the matters discussed can be found, and with regard to any new information, a summary of the new data and arguments presented. Memoranda must contain a summary of the substance of the *ex parte* presentation and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. All of the rules pertaining to oral and written presentations are set forth in section 1.1206(b).⁵
