**NOTICE OF APPARENT  
LIABILITY FOR FORFEITURE**

**Adopted: March 9, 2012**

**Released: March 12, 2012**

By the Chief, Video Division, Media Bureau:

**I. INTRODUCTION**

1. In this *Notice of Apparent Liability for Forfeiture* (“NAL”),<sup>1</sup> we find that Centex Television Limited Partnership (the “Licensee”), licensee of Class A television station KRHD-CD, Bryan, Texas (the “Station”), apparently willfully and repeatedly violated Section 73.3526(e)(11)(iii) of the Rules, by failing to file with the Commission the Station’s Children’s Television Programming Reports.<sup>2</sup> Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of three thousand dollars (\$3,000).

**II. BACKGROUND**

2. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public inspection file containing specific types of information related to station operations.<sup>3</sup> As set forth in subsection 73.3526(e)(11)(iii), each commercial television licensee is required to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts that it made during that quarter to serve the educational and informational needs of children. That subsection also requires licensees to file the reports with the Commission and to publicize for the public the existence and location of the reports. Where lapses occur in maintaining the public file, neither the negligent acts nor omissions of station employees or agents, nor the subsequent remedial actions undertaken by the licensee, excuse or nullify the licensee’s rule

<sup>1</sup> This NAL is issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (the “Act”), and Section 1.80 of the Commission’s Rules (the “Rules”). See 47 U.S.C. § 503(b); 47 C.F.R. § 1.80. The Chief, Video Division, Media Bureau, has delegated authority to issue the NAL under Section 0.283 of the Rules. See 47 C.F.R. § 0.283

violation.<sup>4</sup>

3. On March 31, 2011, the Chief, Video Division, Media Bureau, issued a letter to the Licensee (“Letter”), stating that Commission records indicated that Centex Television Limited Partnership failed to make the required Form 398 electronic filings for KRHD-CD for all four quarters of 2008, 2009 and 2010. The Letter required the Licensee to provide information, identifying the quarters in 2008, 2009, and 2010 for which a Children’s Television Programming Report was prepared and placed in the Station’s public inspection file, and the location of the file. The Letter also required the Licensee to provide information regarding the certification made in FCC File No. BLDTA-20100520AAO that the station complied with all Part 73 requirements that are applicable to Class A stations. The Letter stipulated that the required information be supported by the declaration of a person with personal knowledge.<sup>5</sup> The Letter further required that this information be filed within 30 days, and stated that failure to provide the requested information, or to notify the staff that the Licensee was electing to let the Station revert to low power television status, would result in the institution of a forfeiture proceeding and/or loss of Class A television status.

4. On April 29, 2011, the Licensee filed a Response to the Letter, acknowledging that it inadvertently failed to prepare and file its Children’s Television Programming Reports with the Commission for each of the four quarters of 2008, 2009 and 2010.<sup>6</sup> The Licensee explained that during this period of time, the station aired the required amount of children’s programming, and timely prepared and placed the required reports in its public inspection file, located at its main studio. The Licensee stated that the oversight has been corrected, and the missing reports have been filed with the Commission. With respect to the certification made in the license application filed to cover the station’s conversion to digital operations in 2010 (FCC File No. BLDTA-20100520AAO), the License confirmed that it has complied with all of the Commission’s rules applicable to Class A stations.

### III. DISCUSSION

5. The Licensee’s failure to file the Children’s Television Programming Reports for KRHD-CD with the Commission constitutes an apparent willful and repeated violation of Section 73.3526(e)(11)(iii). Although the Licensee essentially argues that the violations resulted from inadvertence, the Commission has repeatedly rejected human error and inadvertence as a basis for excusing a licensee’s rule violation.<sup>7</sup> Furthermore, corrective actions may have been taken to prevent

<sup>5</sup> See 47 C.F.R. § 1.16.

<sup>6</sup> The Licensee states that it acquired WBXN-CA on April 20, 2007, and, therefore, was not responsible for preparing a Form 398 for the first quarter of 2007.

subsequent violations of the children's television rules and policies, but that too, does not relieve the Licensee of liability for the violations which have occurred.<sup>8</sup>

6. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>9</sup> Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.<sup>10</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>11</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>12</sup> Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”<sup>13</sup>

7. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for failure to file a required form.<sup>14</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>15</sup>

8. In this case, the Licensee has acknowledged that it failed to file with the Commission Children's Television Programming Reports for all four quarters of 2008, 2009 and 2010. Based on the record before us, we believe that forfeiture in the amount of \$3,000 is appropriate for the Licensee's apparent willful and repeated violations of Section 73.3526(e)(11)(iii).
