

station license if the action will promote the public interest, convenience, and necessity.<sup>6</sup> We believe that modification of the license for amateur station WH6DWF to replace General Class operator privileges with Technician Class operator privileges is appropriate.

6. In accordance with Section 1.87(a) of the Commission's Rules,<sup>7</sup> we will not issue a modification order until Wilson has received notice of our proposed action and has had an opportunity to file a protest. To protest the modification, Wilson must, within thirty days of the release date of this *Order Proposing Modification*, submit a written statement with sufficient evidence to show that the modification would not be in the public interest. The protest must be filed with the Office of the Secretary, Federal Communications Commission, 445 Twelfth Street, S.W., Room TW-A325, Washington, D.C. 20554.<sup>8</sup> If no protest is filed, Wilson will have waived his right to protest the modification and will be deemed to have consented to the modification.

7. *Conclusion.* For the reasons stated above, we conclude that the grant of General Class amateur radio operator privileges to Wilson was improper. Accordingly, we propose to modify the amateur service operator license for amateur station WH6DWF by replacing General Class operator privileges with Technician Class operator privileges.
