**Re: Final Bid Withdrawal Payment on Auction 73 License WY-CMA681-B**

**DO NOT DISCARD THIS IMPORTANT NOTICE**  
**OF A DEMAND FOR PAYMENT**  
**OF A DEBT OWED THE UNITED STATES AND ORDER OF PAYMENT**

Dear Mr. Huffman:

This Order provides notice and demands payment of a debt owed to the United States based on East Kentucky Network, LLC's ("East Kentucky") withdrawal of a provisionally winning bid placed during the course of Auction 73.

East Kentucky Network, LLC withdrew a provisionally winning bid during Auction 73 for a 700 MHz Band license in Lee, Virginia (WY-CMA681-B). Thus, pursuant to the Commission's rules,<sup>1</sup> East Kentucky owes a bid withdrawal payment, which is a debt owed to the United States.<sup>2</sup> In 2008, the Commission assessed East Kentucky an interim bid withdrawal payment of \$143,400.00 from the monies it had on deposit.<sup>3</sup> A new license for the same spectrum was offered in a subsequent auction of 700 MHz Band licenses (Auction 92), and because it received a winning bid,<sup>4</sup> the Commission is now able to calculate East Kentucky's final bid withdrawal obligation with respect to its withdrawn bid in Auction 73.<sup>5</sup>

<sup>1</sup> See 47 C.F.R. § 1.2104(g)(1).

<sup>2</sup> See 31 U.S.C. § 3701(b)(1).

<sup>3</sup> See Auction of 700 MHz Band Licenses Closes; Winning Bidders Announced for Auction 73, *Public Notice*, 23 FCC Rcd 4572, 4627, 4637-38 (WTB 2008).

<sup>4</sup> See Auction of 700 MHz Band Licenses Closes, Winning Bidders Announced for Auction 92, *Public Notice*, 26 FCC Rcd 10,494, 10,503 (WTB 2011).

<sup>5</sup> See 47 C.F.R. § 1.2104(g)(1).

Under the Commission's rules, a bidder that withdraws a provisionally winning bid during the course of an auction is subject to a bid withdrawal payment equal to the difference between the amount of the withdrawn bid and the amount of the subsequent winning bid.<sup>6</sup> Under the rule in effect at the time of Auction 73, if a high bid is withdrawn on a license that remains unsold at the close of the auction, the withdrawing bidder is required to make an interim payment equal to ten percent (10%) of the net amount of the withdrawn bid.<sup>7</sup> This payment amount is deducted from any upfront payments or down payments deposited for the withdrawing bidder's account with the Commission.<sup>8</sup> If, in a subsequent auction, that license receives a winning bid in an amount equal to or greater than the withdrawn bid amount, then no final bid withdrawal payment is assessed, and, upon appropriate request, the Commission refunds the interim ten percent (10%) payment.<sup>9</sup> If, in a subsequent auction, the winning bid for that license is less than the bidder's withdrawn amount, then the bidder is required to make a final bid withdrawal payment equal to either the difference between the bidder's net withdrawn bid and the subsequent net winning bid, or the difference between the bidder's gross withdrawn bid and the subsequent gross winning bid, whichever is less.<sup>10</sup>

As shown in Attachment A, in accordance with section 1.2104(g)(1) of the Commission's rules,<sup>11</sup> we have completed the final bid withdrawal payment calculation and, after applying any interim bid withdrawal payment or monies East Kentucky has on deposit, East Kentucky owes an outstanding balance of \$1,147,600.00. This debt to the United States is payable in full and without further demand within 30 days of the date of this Order in accordance with the Notice Information provided below and Payment Instructions in Attachment B.

### **Important Notice Information**

The following provides notification of procedures and information required by the Debt Collection Improvement Act of 1996 ("DCIA").<sup>12</sup> The outstanding balance shown in Attachment A is a debt East Kentucky owes to the United States. It is payable in full and without further demand, and payment must be received no later than the payment due date, which is 30 days from the date of this Order ("Due Date").<sup>13</sup> Any portion of the debt unpaid at the end of the Due Date will be considered delinquent and administrative charges (incurred for processing and handling delinquent debts),<sup>14</sup> interest,<sup>15</sup> and penalties<sup>16</sup> will accrue beginning from that date. Interest accrues at a minimum annual
