- Old business
- Application review – Goochland County
- License modification – Hanover County
- Plan Updates – 800 MHz
- Newport News adding of NPSPAC tactical 2 and 4 repeaters
- VSP tunnels permanent license on post-rebanded frequencies
- State Fairgrounds Special Temporary Authority
- Hopewell Simplex
- New business
- Application Review – Pittsylvania County
- Old business (Open)
- New business (Open)
- Next meeting scheduled for July 10, 2012
- Other business
- Adjourn

Beginning at 3:00 p.m., the 700 MHz Public Safety RPC meeting will convene at the same location.

The agenda for the 700 MHz meeting includes:

- Call to Order
- Introductions
- Old business
- Application review – Goochland County
- New Business
- Application review – Pittsylvania County
- Other Business
- Adjourn

Both Region 42 Public Safety RPC meetings are open to the public. All eligible public safety providers in Region 42 may utilize these frequencies. To ensure that RPC meetings consider each agency's future spectrum needs in the allocation process, it is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 and 800 MHz bands within Region 42 should plan to attend. For further information, please contact:
