**ORDER**

**Adopted: April 25, 2012**

**Released: April 27, 2012**

By the Chief, Video Division, Media Bureau:

1. This is with respect to station KWDT-LP, Corpus Christi, Texas, licensed to Clark Ortiz (“Ortiz”). This station is currently licensed as a Class A television station, which are accorded primary spectrum use status pursuant to the Community Broadcasters Protection Act of 1999 (“CBPA”).<sup>1</sup>

2. By letters dated March 28, 2011 and August 18, 2011, the Video Division of the Media Bureau requested information from Ortiz regarding his apparent failure to make the required filing of quarterly FCC Form 398 (Children’s Television Programming Report) for the station for the last quarter of 2006 and all four quarters in 2007, 2008, 2009 and 2010.<sup>2</sup> Both letters required that the information be provided within 30 days of the date of the letter, and cautioned that failure to provide the information could result in a change of the station’s status from Class A television to low power television. Ortiz failed to respond to the Division’s letters or to file the required Children’s Television Programming Reports. Accordingly, pursuant to Section 316(a) of the Communications Act of 1934, as amended,<sup>3</sup> the Video Division issued an *Order to Show Cause* why the license for KWDT-LP should not be modified to specify the station as a low power television station.<sup>4</sup>

3. Ortiz was afforded until March 30, 2012, to file a written statement why his license should not be so modified, and was also notified that if no written statement was filed by that date, he would be deemed to have consented to the modification of the KWDT-LP license from Class A television status to low power television status. Ortiz did not file a written statement in response to the *Order to Show Cause*, and, therefore, we deem him to have accepted the modification of the KWDT-LP license to

Beginning on the date of its application for Class A license and thereafter, the CBPA requires that a station must be “in compliance with the Commission’s operating rules for full-power television stations.” 47 U.S.C. § 336(f)(2)(A)(ii); *see also In the Matter of Establishment of a Class A Television Service*, MM Docket No. 00-10, Report and Order, 15 FCC Rcd 6355, 6366 (2000), Memorandum Opinion and Order on Reconsideration, 16 FCC Rcd 8244, 8254-56 (2001); 47 C.F.R. §§ 73.6001, 73.6026. KWDT-LP was granted Class A status in 2001.

<sup>4</sup> *Reclassification of License of Class A Television Station KWDT-LP, Corpus Christi, Texas*, Order to Show Cause, DA 12-226 (Vid. Div. rel. Feb. 28, 2012). In addition to the period covering 2006 through 2010, the *Order to Show Cause* noted that Ortiz had also failed to file Children’s Television Programming Reports for all four quarters of 2011.

low power television status.<sup>5</sup> Further, because Ortiz has failed to file Children's Television Programming Reports (FCC Form 398) since the third quarter of 2006 and has not responded to the Video Division's two letters regarding this failure or to the *Order to Show Cause*, we find that Ortiz has not fulfilled his obligations as a Class A licensee and that the modification of his Class A license to a low power television license therefore serves the public interest.

4. IT IS THEREFORE ORDERED, pursuant to Sections 4(i), 316, and 332(f)(2)(A)(ii) of the Communications Act, 47 U.S.C. §§ 154(i), 316, 332(f)(2)(A)(ii), and Sections 1.87, 73.6001, and 73.6026 of the Commission's rules, 47 C.F.R. §§ 1.87, 73.6001, 73.6026, that the license for station KWDT-LP, Corpus Christi, Texas is modified from Class A television status to low power television status, effective as of this date.

5. IT IS FURTHER ORDERED, That a copy of this *Order* shall be sent by Certified Mail, Return Receipt Requested, to Clark Ortiz as indicated below:
