**Re: Ozark Paging, LLC - Eligibility for Refund of Amount on Deposit for Default Payment on Auction 40 Licenses CP BEA093-F1 (Joplin, MO-KS-OK); CP BEA094-F1 (Springfield, MO); and CP BEA098-F1 (Columbia, MO)**

Dear Mr. Bowles:

By this letter, we notify Ozark Paging, LLC (“Ozark”) of the availability of a refund of funds on deposit with the Federal Communications Commission (“Commission”) related to Ozark’s participation in the Commission’s auction of Lower and Upper Paging Bands licenses (Auction 40).

Ozark, a participant in Auction 40, was the winning bidder for five Lower and Upper Paging Bands licenses in the following areas: Joplin, MO-KS-OK (BEA093-FI); Springfield, MO (BEA094-FI); St. Louis, MO-IL (BEA096-FI); Columbia, MO (BEA098-FI); and Kansas City, MO-KS (BEA099-FI).<sup>1</sup> After the close of Auction 40, Ozark defaulted on its final payment obligation for these licenses.<sup>2</sup> Two of the licenses, St. Louis, MO-IL and Kansas City, MO-KS, received subsequent winning bids during Auction 48.<sup>3</sup> In 2009, the Commission assessed Ozark a final default payment of \$5,205.00 for those two licenses from the monies Ozark had on deposit.<sup>4</sup>

<sup>1</sup> See Lower and Upper Paging Bands Auction Closes; Winning Bidders Announced, *Public Notice*, 16 FCC Rcd 21,821 (WTB 2001) (“*Auction 40 Closing Public Notice*”). Ozark withdrew a provisionally winning bid during Auction 40 for a license in Jonesboro AR-MO (BEA095-EC). See *id.* at 21,850.

<sup>2</sup> See Letter from Margaret W. Wiener, Chief, Auctions and Spectrum Access Division, and Roger S. Noel, Chief, Mobility Division, Wireless Telecommunications Bureau, to Ozark Paging, LLC, Attn: William G. Bowles, Jr., 24 FCC Rcd 8426 (WTB 2009) (“*Ozark Paging Letter*”).

<sup>3</sup> See Lower and Upper Paging Bands Auction Closes; Winning Bidders Announced, *Public Notice*, 18 FCC Rcd 11,154, 11,181 (WTB 2003). The Jonesboro AR-MO license (BEA095-EC) also received a subsequent winning bid during Auction 48. See *id.* at 11,183. Because the subsequent winning bid for that license was greater than Ozark’s withdrawn bid, Ozark was not liable for a withdrawal payment for that license. See *Ozark Paging Letter*, 24 FCC Rcd at 8428.

<sup>4</sup> See *Ozark Paging Letter*, 24 FCC Rcd at 8429, 8432. The letter also dismissed Ozark’s long-form applications for the five licenses for which it was the winning bidder in Auction 40. *Id.* at 8426, 8429-30.

The remaining three licenses were unsold at the end of Auction 48 and the Commission assessed Ozark an interim default payment of \$481.00 from the monies it had on deposit.<sup>5</sup> Licenses for Joplin, MO-KS-OK (BEA093-FI); Springfield, MO (BEA094-FI); and Columbia, MO (BEA098-FI) were offered in a subsequent auction of Lower and Upper Paging Bands licenses (Auction 87), and because they received winning bids,<sup>6</sup> the Commission is now able to calculate Ozark's final default payment obligation with respect to those three licenses.<sup>7</sup>

Under the Commission's rules, at the close of the auction, a winning bidder assumes a binding obligation to pay the full amount of its accepted winning bid.<sup>8</sup> A bidder who defaults on that obligation or is disqualified is subject to a default payment.<sup>9</sup> The default payment has two components. The first component is the difference between the bidder's net defaulted bid and the subsequent net winning bid, or the difference between the bidder's gross defaulted bid and the subsequent gross winning bid, whichever is less, the next time a license for the spectrum is won, should the subsequent winning bid be less than the defaulted bid.<sup>10</sup> The second component of the default payment is an additional payment, which, pursuant to the rule in effect at the time of Auction 40, is equal to three percent (3%) of the defaulter's bid, or the subsequent winning bid, whichever is less.<sup>11</sup> In the event that the subsequent winning bid is greater than or equal to the defaulted bid, the total default payment is equal to three percent (3%) of the defaulted bid.<sup>12</sup>

As shown in Attachment A, in accordance with section 1.2104(g)(2) of the Commission's rules, we have completed the final default payment calculation and, after applying the monies Ozark has on deposit,<sup>13</sup> no outstanding balance is owed to the Commission. Therefore, in accordance with section 1.2104 of the Commission's rules, the Commission is prepared to refund the payor(s) of record the \$1,777.35 remaining funds on deposit with the Commission. To obtain a refund, the payor(s) of record<sup>14</sup> must submit a request in accordance with the instructions set forth in Attachment B.

---

<sup>5</sup> *See id.* at 8429, 8433. The Commission assessed Ozark an interim default deposit of 20 percent (20%) of Ozark's net winning bids on licenses BEA093, BEA094, and BEA098, totaling \$481.00. *See id.* at 8429; 47 C.F.R. § 1.2104(g)(2) (2002).

The Commission applied \$5,205.00 of that amount towards Ozark's final default payment for the St. Louis, MO-IL and Kansas City, MO-KS licenses. *See id.* at 8429.
